NOTES:

Transfer applicants: The information on this grid is for first-year applicants only. To see which institutions accept the Common App for transfer, and what their specific requirements are, please consult www.commonapp.org.

1. Coed indicates a coeducational college, Women indicates a women's college, Men indicates a men's college, and Coordinate indicates two "coordinate" single-sex colleges geographically adjacent to each other that share an admission process, courses, faculty, etc.

2. Some colleges:
   - Charge different fees for U.S. and international students
   - Only accept the Common App fee waiver for U.S. students
   - Do not accept the Common App fee waiver

3. Common App personal essay (PE): The Common App personal essay may be submitted to any college. This column indicates whether the college requires the personal essay.

4. Courses & Grades (C&G): Some colleges require that you self-report your course history and grades with your application submission. This column indicates whether the college requires the self reported courses and grades.

5. Supplements, Portfolio: SR indicates that the college collects online portfolios using SlideRoom, which is integrated with the Common Application. COL indicates that the college uses their own system to collect online portfolios. If the college does not collect portfolios, the field is blank.
