LJH TURNAROUND

BUILDING ON OUR MOMENTUM

+8-point gain in 2026

With an 8-point gain behind us, our sights are set on a 70+ rating this year as we keep building on that momentum.

2026–27 INTERVENTION STRATEGY

- 01 STABILIZE THE 6TH-GRADE LANDING**
Close the 5th-to-6th Math and RLA transition gap, planned jointly with CIS
- 02 SCALE THE ALGEBRA I PLAYBOOK**
Carry the 52% → 88% practices into the standard 8th-grade math track
- 03 MONITOR IN-YEAR, NOT AFTER STAAR**
Math & RLA Bi-weekly Short Cycle Assessments, Six-week data checkpoints, targeted intervention, and a January 2027 mid-year review

LOOKING AHEAD

HB 8 · 89TH TEXAS LEGISLATURE

STAAR → Student Success Tool (SST) in 2027–28

- Three assessments per year: BOY, MOY, EOY
- Adaptive testing for BOY & MOY
- Results within 2 business days
- English II EOC exam eliminated
- A-F ratings refreshed using SST data from 2028
- "What If" preview ratings from TEA in 2026 & 2027

2026–27: "Progress Doesn't Pause"

Goal: an 80+ district rating (B) with every campus rated C or better, a first since A-F launched in 2018.

"The most important work in COCISD happens in the classroom."
