No commitment required. Come see what INTERACT is all about!

On Wednesday, October 14th, all juniors will take the ASVAB (Armed Services Vocational Aptitude Battery) at school.

This exam is part of the **ASVAB Career Exploration Program**, which features a validated aptitude test and interest assessment designed to help students map out their strengths and discover potential career paths. While the test is used for military enlistment, it is highly beneficial for all students—whether they plan to attend college, enter trade school, or head straight into the workforce.

In Careers class, students will use the results as a tool to help explore careers- not just in the military but in the civilian world mostly. We give one test in the fall and the results will be explored when your junior has Careers class. This could be in trimester two or three.

There is no penalty for not taking it and students who do not wish to take it can attend classes as normal that day. The test will start at 8:15 and be done during second period. We will take care of the attendance for students that take the test.

MHS Activities Dept has Transitioned to the Bound Platform for Sports and Extracurriculars

Dear Parents and Guardians,

As many of you are aware, we transitioned to the Bound platform this past spring for all sports and extracurriculars. We will continue using Bound for activity registration, ticketing, and game schedules this school year. The platform is user-friendly, and we are excited for everyone to utilize its features.

In order to register for a sport or activity for the upcoming school year, **you will be required to upload your student's current sports physical.** Copies of physicals are available in the Activities Office. Please have your student stop by to take a photo of their physical so you can complete your family profile on Bound. Unfortunately, we are unable to upload these documents on your behalf.

Here is a link to **BOUND** to get your student registered.

Important upcoming date: November 2nd: Winter Sports Parent Meeting

If you have any questions, please contact the Activities Office at 763-272-3003 or email Amanda.Peterson@monticello.k12.mn.us

Thank you.

Senior Class of 2027 Updates

Families of the Class of 2027, you can find information on the Senior Page of our website for updates and important information. We will routinely send information out to keep you updated with dates and deadlines. **MHS Website: Senior Information**

Please submit a Senior Photo & and Senior Quote by January 8th, 2027. Use the QR code to submit your photo and quote.

The Grad Party Committee is working hard to plan an awesome post-graduation party for our Seniors! Right after commencement, seniors should come to the Middle School for a night of Food, Fun and PRIZES!! Tickets will go on sale in December.

PARENTS OF HIGH SCHOOLERS OF ALL AGES!

We need your help and not just if you have a senior this year.
There are several ways you can get involved!

- **Come to our 21+ tasting event THIS WEEKEND October 10th 6-9 at MCC!** Bring your friends. Buy a 50/50 raffle ticket, bid on some fantastic silent auction items or just come and have a great night. *Bonus:* work a shift to help us out, it's a great time.
- **Follow and Share Our Social Media** We are @MontiGradParty on Instagram and Facebook and our website is MontiGradParty.com. Help spread the word and follow us for to stay connected.
- **Want to get more involved?** We meet the first Wednesday of the month at the Monticello Community Center at 6:30! We need more help to make this year's party successful and we need volunteers from non-senior families to join the committee to keep it running in the future.

Health Office Updates

Dear Parent or Guardian:

Minnesota law requires that all children get vaccinated against certain diseases or have a legal exemption on file to enroll in school. Since the fall of 2021, **students entering 12th grade need to have documentation or a legal exemption for the booster dose (2nd shot) of meningococcal vaccine.** The first meningococcal vaccine was required for entry into 7th grade.

If your student is new to the school please send in their immunization records as soon as possible to the health office.

Teenagers and young adults are at a higher risk for meningococcal disease, which is an infection of the brain and spinal cord. This booster dose is important to make sure they are fully protected through their highest risk years. For more information on meningococcal disease, go to Meningococcal Disease Basics (**www.health.state.mn.us/diseases/meningococcal/basics.html**) on the MN Department of Health website.

If your child has already had this immunization, they do not need to repeat them. If you wish to declare a non-medical exemption or conscientious objection (CO) or a medical exemption (ME), the link to print the student immunization form can be found below (this form must be notarized) **https://www.health.state.mn.us/people/immunize/basics/readycc.pdf**

To find your child's most up to date immunization records please go to the following link: **https://www.health.state.mn.us/people/immunize/miic/records.html#docket**

Please schedule an appointment with your child's doctor if they need this immunization. Please either **send the updated immunization record with your child to school or have the clinic fax us your child's immunization record to (763) 272-3009 once your child receives the immunization**. Please call the health office at **763-272-3020**/3022 for any questions or concerns.

We appreciate your assistance with this process.
