

S.M.A.R.T., INC. AND THE SOUTHBURY PUBLIC LIBRARY

Film Screening & Discussion of

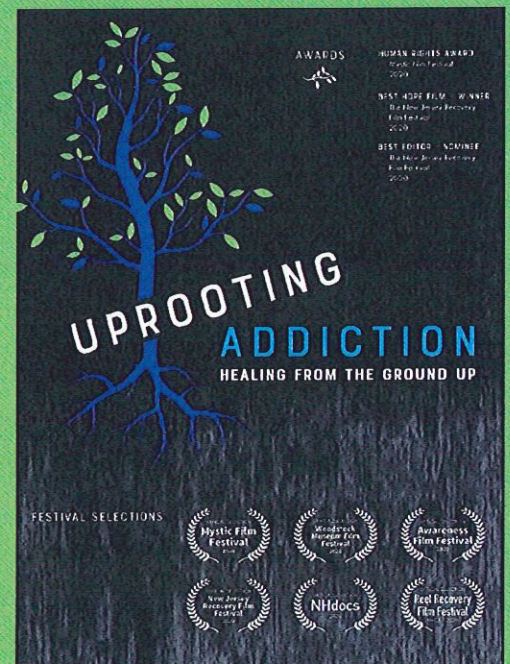

Thursday, October 29
6:30-8pm
Kingsley Room

October is Substance Use Prevention Month. Join SMART, Inc. (Southbury & Middlebury Acting Responsible Together) to screen this documentary about trauma, addiction, and recovery, followed by a brief discussion.

About the film: Six people from Connecticut with vastly different cultural and socio-economic backgrounds explore the childhood traumas at the roots of their drug addictions, as local officials, activists, ordinary citizens, and experts offer solutions to a relentless public health crisis.

At the same time, we will be having an event for Kindergarten through 5th Grade called "Trust the Wind: Finding Your Way Through Hard Things" in the Brown Room!

Free and open to residents of any town, but registration is requested. Register by phone at 203-262-0626 x2, at the Reference Desk of the Library, this QR code, or online at southburylibrary.org/10-29-26-smart

With this link and QR Code, you can also find more details about the film, the simultaneous children's event we'll be having, and SMART, Inc.
