The Grad Party Committee is working hard to plan an awesome post-graduation party for our Seniors! Right after commencement, seniors should come to the Middle School for a night of Food, Fun and PRIZES!! Tickets will go on sale in December.

PARENTS OF SENIORS!
We need your help to make your student's party the best one ever. There are several ways you can get involved!

- **Sell raffle tickets.** Selling 3 books of raffle tickets gets you a free admission to the party. Don't want to sell that many, work a shift at a fall sporting event. For every hour worked you'll get entered into a drawing for a free admission. Just want to sell a book of tickets or buy a few tickets yourself? That's ok too. Every bit helps. Find us at a game or email us at **gradpartymonticello@gmail.com**

- **Come to our 21+ tasting event on October 10th 6-9 at MCC!** Bring your friends. Buy a 50/50 raffle ticket, bid on a silent auction item or just come and have a great night. *Bonus:* work a shift to help us out, it's a great time.

- **Want to get more involved?** Check out **montigradparty.com** for many more ways to connect with us or help plan the party!

Health Office Updates

Dear Parent or Guardian:

Minnesota law requires that all children get vaccinated against certain diseases or have a legal exemption on file to enroll in school. Since the fall of 2021, **students entering 12th grade need to have documentation or a legal exemption for the booster dose (2nd shot) of meningococcal vaccine.** The first meningococcal vaccine was required for entry into 7th grade.

If your student is new to the school please send in their immunization records as soon as possible to the health office.

Teenagers and young adults are at a higher risk for meningococcal disease, which is an infection of the brain and spinal cord. This booster dose is important to make sure they are fully protected through their highest risk years. For more information on meningococcal disease, go to Meningococcal Disease Basics (**www.health.state.mn.us/diseases/meningococcal/basics.html**) on the MN Department of Health website.

If your child has already had this immunization, they do not need to repeat them. If you wish to declare a non-medical exemption or conscientious objection (CO) or a medical exemption (ME), the link to print the student immunization form can be found below (this form must be notarized) **https://www.health.state.mn.us/people/immunize/basics/readycc.pdf**

To find your child's most up to date immunization records please go to the following link: **https://www.health.state.mn.us/people/immunize/miic/records.html#docket**

Please schedule an appointment with your child's doctor if they need this immunization. Please either **send the updated immunization record with your child to school or have the clinic fax us your child's immunization record to (763) 272-3009 once your child receives the immunization**. Please call the health office at **763-272-3020**/3022 for any questions or concerns.

We appreciate your assistance with this process.
