

Intramurals

Sign-ups for Intramural athletics are now open on [Final Forms](#). We will have a total of 6 intramural sessions this year! The first session of intramurals will run from 11/9/26-11/20/26. Our first session will teach students the basics of Badminton, along with developing the skills associated with the game. Cost for the session is \$35.00 as well as the ASB fee if you have not already paid that. The ASB is a one-time fee for the whole year.

During Intramural Sports, students will compete against other Finn Hill students. Intramural sports will have Limited participants due to the available space in our gym. Our focus is to allow as many students to participate while maintaining a safe space.

Please note that all athletics programs are extracurricular activities. This means that these are not classes and they are not part of a student's academic record.
