College Ready. Career Prepared.

Mission

Cristo Rey Miami High School (CRMHS) is a Catholic learning community that educates young people of limited economic means to become men and women of faith, purpose, and service. Through a unique educational model, Cristo Rey Miami integrates a rigorous college-preparatory curriculum with a relevant Corporate Work Study experience to prepare students to graduate ready to succeed in college and in life.

Our School

Cristo Rey Miami High School was founded in 2022 as a co-educational, college- and career-preparatory high school. The school serves a diverse student body, with many students coming from Haitian and Latino/Hispanic families. Established to serve students from families of limited financial means, Cristo Rey Miami has an average family income of \$37,500 per year for a family of four. Cristo Rey Miami is part of the Cristo Rey Network, a national network of 41 college-preparatory high schools that combine rigorous academics with meaningful professional work experience.

Corporate Work Study Program

The Corporate Work Study Program (CWSP) is an innovative educational and financial model that allows students to receive a private, college-preparatory education while gaining meaningful professional experience. Students work at a partner organization five full days each month, typically one day per week plus one additional Friday each month, as part of a four-student job-sharing team. Their work schedule is structured so they do not miss required instructional time.

Through CWSP, students build workplace skills, confidence, professionalism, and real-world experience while revenue generated through their work is paid directly to the school to help offset the cost of their education. The program operates as a separately incorporated employment entity alongside Cristo Rey Miami High School. Students continue to receive the instructional hours required by the Florida Department of Education to complete a fully accredited college-preparatory curriculum while gaining exposure to professional environments, interacting with adults in the workplace, and developing the habits, communication skills, and responsibility that prepare them for college and future careers.

Our Accreditation

Cristo Rey Miami is accredited by the Cognia Global Commission, the North Central Association Commission on Accreditation and School Improvement, the Northwest Accreditation Commission, and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement. Cristo Rey Miami received full accreditation in fall 2022, with accreditation currently valid through June 30, 2030.

Student Demographics

Community Service

Cristo Rey Miami is committed to the formation of the whole person, helping students grow in faith, purpose, character, and service to others. Service learning is woven into the curricular and co-curricular experience across all grade levels, encouraging students to engage meaningfully with their communities. **Students graduate with a minimum of 100 service hours.**
