Together We Can Oakdale Elementary

A Note from the Principal

We've officially wrapped up our first month of school, and what a wonderful start it has been! Our students are already showing growth, excitement and a love for learning, and that wouldn't be possible without the support of our families. One of the biggest factors in student success is consistent attendance—being present every day helps children stay connected, confident and on track. Thank you for making school a priority and for all the ways you partner with us to support your child's learning. We are grateful for your continued commitment and look forward to the great months ahead!

- Angela Dorzweiler, Principal

Greatness Grows When You're Here!

Greatness Grows When You're Here! And every day at school is a new opportunity for students to learn, grow and connect.

Being at school each day helps students feel more positive about school and themselves while supporting their academic and social success. Consistent daily attendance helps students stay engaged, build a sense of belonging and develop strong habits that support success in the classroom and beyond.

Starting the year strong by building good attendance habits reinforces the importance of being on time and present each day. Families play an important role by making attendance a priority, staying connected with their student's school and planning ahead to reduce absences.
