V ELAC Discussion /Recommendation – A parent in grade 2 asked where the SSC mtgs are posted and that it would be nice to make them better known to parents at large. Two parents in grade 2 asked how EL students are supported in the classroom. Ms. Warren then said the teachers are doing 30 minutes daily of Benchmark in Kg-grade 5. The district is deciding who will replace the LLI that retired Ms. Zagor and how that support may look like. The ELAC committee requested again that the school offer additional support for EL students after school. Ms. Warren said they can't find a teacher interested in teaching the Vocabulary toolkit and a 2nd grade parent asked if parents could help identify someone who is willing to do this in the school because it's very important to offer this help.
