

CARROLL
Independent School District

CISD Regular Board Meeting

President's Report

October 19, 2026

Good evening, everyone.

Tonight, I want to begin by inviting our entire Dragon community to join Superintendent Dr. Glenn, Vice President Trustee Yeager, and me this Thursday, October 22, at 6:30pm for our first Town Hall of the year. It will be held at our Fine Arts Center located on our Carroll Senior High School campus.

We look forward to connecting directly with our parents, students, staff, taxpayers, and community members. Our goal is to educate, inspire, and connect by sharing important information about our district, the progress we are making, and the work ahead.

We will discuss several important topics, including district financials, surplus property sales, academic success, and campus security, along with other issues that matter to our families and taxpayers. Just as importantly, we want to hear from you. We will make time to answer questions, address concerns, and provide greater insight into the decisions and priorities guiding our district.

As a Board, we believe good governance requires transparency, accountability, and open communication. Our responsibility is to make decisions that put students first, protect taxpayer resources, support our teachers and staff, and preserve the traditions and excellence that make Carroll ISD such a special place.

A town hall gives us an opportunity to have those conversations outside the regular board meeting format. It allows us to explain not only what we are doing, but why we are doing it and to hear directly from you, the people we serve.

Whether you have questions about our financial position, the future of district properties, student achievement, school safety, or another issue, I encourage you to attend. Your engagement matters, and an informed community is essential to a strong school district.

I also want to thank Dr. Glenn and our district leadership team for their continued work on behalf of our students, families, and staff. Maintaining Carroll ISD's high standards requires thoughtful planning, responsible financial management, and a shared commitment to doing what is best for Carroll ISD.

Please join us Thursday evening, October 22, at 6:30pm. We look forward to seeing you, sharing updates, answering your questions, and continuing to work together to protect the tradition and future of our top-rated district.

Thank you, and as always, go Dragons!
