A Note From Ms. Caviggia:

Fire Prevention Week

KCS welcomed the Dayville and Attawaugan Fire Departments last week for our annual Fire Prevention program, providing students with valuable lessons about fire safety. A huge thank you for the fire department members for spending their day with us!

Celebrations and Highlights

Summer Reading and Math Challenge

During today's KCS Community Meeting, we celebrated students who participated in our summer reading and/or math challenges. Continuing with this summer's theme, **"Plant a Seed, Read!"**, students also enjoyed a special celebration last week. The event included listening to *What Are Bulbs and Roots?*, sharing a light snack and drink, and planting bulbs around the KCS stone sign at the bottom of the hill. We can't wait to see what our hard work produces in the spring!
