2026-27 Feeder Pattern from Elementary to Middle School to High School

Note: Feeder patterns provide detailed information on student advancement from one level to another within a particular boundary **based on residing address and do not reflect student choice reassignments**. While consideration is made towards achieving 100% feeder patterns, some schools will have split feeder patterns. This report should be used to track elementary students matriculating to high school. This report should not be used to track middle school students matriculating to high school.
