Geometry Syllabus

Mr. Zach Craig
Classroom: 202K
Math Office 220H
2026 -2027

Email: zcraig@west-fargo.k12.nd.us
Phone: (701) 356-2050

Course Description:

Welcome to Geometry! We will be learning about properties and relations of points, lines, surfaces, solids, and higher dimensional analogs. Applications of these concepts will also be implemented into the curriculum.

Communication:

- Class Updates/ Changes:
  - Schoology and Email
- Email or Schoology message:
  - zcraig@west-fargo.k12.nd.us (never hesitate to email me! I check it throughout the day)
- Phone:
  - (701) 356-2050

EMAIL IS THE BEST WAY TO CONTACT ME!

Materials:

- WFPS issued iPad (and charging accessories) **MAKE SURE IPAD IS FULLY CHARGED**
- WFPS issued Logitech crayon

Course Logistics:

- Everything you will need for this class will be in OneNote or linked in **SCHOOLOGY**.
- OneNote is the application that will hold all notes, homework, and review materials (link to get to this will be sent via school email).
- Every week will be organized by folders with dates included (the current week will always be located at the top of the list).

Homework: Graded homework will be completed in class in randomized groups of 2/3 students (class size pending). You will be given a brief knowledge check on topics discussed in class and complete problems to the best of your ability. Any problems not completed before class ends will be graded as a zero. The group practice is designed to be completed in a short amount of time.

Quizzes: Quizzes will be given throughout each unit.

Tests: Each unit will have a test after covering all material.

Grade: Grading Scale:

A = 90 – 100%
B = 80 – 89%
C = 70 – 79%
D = 60 – 69%
F = Below 60%

Grading Weight:

65%	Tests
5%	Graded Homework
10%	Quizzes
20%	Cumulative Test

CLASSROOM RULES

1. Come to class on time and prepared. Always bring your iPad, pencils, and notebook (if you want paper for notes/practice problems).
2. Remain on task during lessons.
3. When I am talking, you are listening. When you are talking, the rest of us are listening. Respectful listening will be practiced in this classroom.
4. All phones MUST be put away & out of use from 8:25am – 3:35 pm!!!!
    a. 1st offence = taken to office
    b. 2nd offence = taken to office & parent has to collect
    c. 3rd offence = taken to office, parent collects, & meeting with principal
    d. 4th offence = taken to office, parent collects, ISS following day
    e. 5th = " " and OSS
    f. 6th = " " and going virtual
5. Show respect to others' rights, feelings, and property.
6. Do not use putdowns or profanity.

West Fargo High School Attendance Policy

Requirements:

Attendance- Students are expected to show up to class on-time.

- *Excused Absences* will be given the amount of days they are gone, plus 1 day (according to school policy) to complete and turn-in the missed work.
- *Unexcused absence* means students will not be able to make up any work or points given that class.
- *School Excused Absences (Activities)* are required to be mentioned at least **THREE** days prior so all possible material can be given to the student. If materials are not prepared at that time, I will work with you on creating a personal plan.
- *Medical Absences* require a note to the office within two weeks of the medical appointment. The office will handle these.

NEW District Attendance Policy

No matter the student, the following attendance policy is now in place for each semester. The following absences do not include medical or activity (school excused) absences.

Absences 1-10, if excused or ill, students will be able to make up work. See the *Excused Absences* above.
Absences 11-12, if excused or ill, students will NOT have the ability to make up work from those days OR due on those days.
Absence 13, if excused or ill, will cause a student to be removed from the class with a "Loss Credit" recorded on their transcript.

As the teacher I will more than likely reach out when a student has reached an absence total around 7, however the school and admin will be sending out regular communication with families regarding absences.

Late work- For the majority of the assignments, no late work penalty will be applied. However, there will be a hard deadline for the end of the unit for that unit's work. Sometimes deadlines might be put in place in the middle of the unit and for bigger projects/assignments, a late penalty could apply. Please keep up with the schedule and what is in Powerschool to know of these deadlines. Communication is key*.

Tardies- Students who show up 20 minutes after class has started will be marked unverified (UV). Every 5th tardy in the semester will result in a detention. Refer to the student handbook for more specifics.

West Fargo High School Food and Drink Policy

- Snacks will be allowed in class. They must be dry (ex: no pudding, Jello, gushers, etc.)
- Each class will have 3 strikes for not cleaning up after themselves. After 3 strikes, the class loses the privilege to have snacks.
- Only drinks in a sealable container will be allowed
- If you bring anything that doesn't fit within those requirements, I will ask you to throw it away or put it in your backpack.

Extra Practice

- While in class knowledge checks are a great way to prepare for tests/quizzes. There will be extra problems available in OneNote and Delta math online. If your goal is to obtain A/B/C's in this class, extra practice will be necessary.

Missing Homework

- If you are gone on a day that we complete group knowledge checks, you will have until the unit test to make up that homework for a grade. Homework will be made up through WIN session use. You will need to sign up for a WIN session and will have those 20 minutes to complete the practice for credit. After a unit test has passed, the homework can no longer be made up and will be marked a zero.

Extra Practice

- Each unit will have a review that can be completed BEFORE taking the test for a 2% bonus added to your test score.

Drop Scores

- Each quarter, I will drop your lowest quiz score (everyone has a bad quiz day). The goal of a quiz is to find out what you know and what you need to work towards a better understanding of.
- The lowest test score you have each quarter will be averaged with your cumulative score to improve (if the cumulative is a higher score only).
