

BALDWIN SUCCESS ACADEMY SCHOOL-PARENT COMPACT

A Partnership For Student Success
2026-2027

What is a School-Parent Compact?

Our annual School-Parent compact outlines how Baldwin Success Academy staff, families, and students work together to support student success. By sharing responsibility and working as a team, we can create a positive learning environment and help every student reach their goals.

Effective components:

- Link to academic achievement goals;
- Focus on student learning;
- Share strategies that staff, parents, and students can use;
- Explain how parents and teachers can communicate about student progress; and
- Describe opportunities for parents to observe, volunteer, and participate in the classroom.

This Compact is Jointly Developed

Opportunities are provided throughout the school year for staff, families, and students to share their thoughts on developing and making changes to this school-parent compact with regard to what is most needed educationally for student success.
