QUESTION 1

"SHALL REGIONAL SCHOOL DISTRICT NUMBER 10 APPROPRIATE $5,000,000 AND AUTHORIZE BONDS AND TEMPORARY NOTES IN THE SAME AMOUNT FOR HVAC REPLACEMENTS AND IMPROVEMENTS AT DISTRICT SCHOOLS?"

HVAC Improvements

- Upgrade aging rooftop and mechanical systems across district schools
- Improve reliability, comfort, energy efficiency, and indoor air quality

HVAC

Total Cost	$5,000,000
Projected Nonpriority State Grant Reimbursement	$2,714,500
District's Estimated Responsibility After Grant	**$2,285,500**

If voters approve the referendum questions, the district will proceed with detailed design, bidding, financing, and phased construction.

If the referendum is not approved, the district would continue to rely on routine maintenance and incremental repairs to manage HVAC systems.

QUESTION 2

"SHALL REGIONAL SCHOOL DISTRICT NUMBER 10 APPROPRIATE $14,935,000 AND AUTHORIZE BONDS AND TEMPORARY NOTES IN THE SAME AMOUNT FOR ROOF REPLACEMENTS AND IMPROVEMENTS AT LEWIS S. MILLS HIGH SCHOOL, LAKE GARDA SCHOOL AND HAR-BUR MIDDLE SCHOOL?"

Roof Replacements

- Replace aging roof systems at Lake Garda and Har-Bur/Lewis Mills
- Protect facilities and reduce future repair costs

ROOFS

Total Cost	$14,935,000
Projected Nonpriority State Grant Reimbursement	$ 8,108,211
District's Estimated Responsibility After Grant	**$ 6,826,789**

If voters approve the referendum questions, the district will proceed with detailed design, bidding, financing, and phased construction.

If the referendum is not approved, the district would continue to rely on routine maintenance and incremental repairs to manage aging roofs.

QUESTION 3

"SHALL REGIONAL SCHOOL DISTRICT NUMBER 10 APPROPRIATE $3,900,000 AND AUTHORIZE BONDS AND TEMPORARY NOTES IN THE SAME AMOUNT FOR THE INSTALLATION OF A MULTIPURPOSE SYNTHETIC TURF FIELD AND RELATED IMPROVEMENTS AT LEWIS S. MILLS HIGH SCHOOL?"

Athletic Field Enhancements

- Synthetic Turf Athletic Field
- Track & Field Improvements
- ADA elevated grandstands built into the hillside - Lighting,
-Accessibility & Pedestrian Improvements - Site Infrastructure and drainage
- Fencing and safety features

Estimated cost $3,900,000

If voters approve the referendum questions, the district will proceed with detailed design, bidding, financing, and phased construction.

If the referendum is not approved, the district would continue to rely on routine maintenance and incremental repairs to manage the field. However, the district will need to move forward with resurfacing the track, long jump and pole vault areas.

QUESTION 4

"SHALL REGIONAL SCHOOL DISTRICT NUMBER 10 APPROPRIATE $3,100,000 AND AUTHORIZE BONDS AND TEMPORARY NOTES IN THE SAME AMOUNT FOR THE INSTALLATION OF A MULTIPURPOSE ENGINEERED NATURAL GRASS FIELD AND RELATED IMPROVEMENTS AT LEWIS S. MILLS HIGH SCHOOL?"

Athletic Field Enhancements

- Engineered Natural Grass Athletic Field - Track & Field Improvements - ADA elevated grandstands built into the hillside - Lighting,
-Accessibility & Pedestrian Improvements - Site Infrastructure and drainage
- Fencing and safety features

Estimated cost $3,100,000

If voters approve the referendum questions, the district will proceed with detailed design, bidding, financing, and phased construction.

If the referendum is not approved, the district would continue to rely on routine maintenance and incremental repairs to manage the field. However, the district will need to move forward with resurfacing the track, long jump and pole vault areas.

Questions 3 and 4 are mutually exclusive alternatives for field improvements.

Voters will vote on each question independently.

If only one question passes, that option moves forward. If both pass, the district will proceed with the option receiving the greater number of affirmative votes. If affirmative votes are equal, the option with the higher approval percentage would be selected.
