NORTH SPRINGS ELEMENTARY

In partnership with students, parents, and the community, North Springs Elementary School guarantees our children a quality education, empowering them to reach their maximum potential while acquiring the skills to become lifelong learners and responsible citizens, by providing challenging learning experiences in a caring environment.

STEMS
A Science, Technology, Engineering, & Math School
North Springs Elementary

The mission of STEMS, in partnership with families, the community, and the school is to prepare students for active citizenship, and for careers of the future, particularly STEM careers. We work to accomplish this goal by supporting students in doing the following: completing rigorous academic work, applying the engineering design process, and actively engaging in STEM projects.

REQURIEMENTS FOR TITLE 1

The purpose of this title is to ensure that all children have a fair, equal, and significant opportunity to obtain a high quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

The Title I program offers a variety of services which may include: additional teachers and support staff, extra time for instruction, a variety of teaching methods and materials, smaller classes and additional training for staff.

TITLE I

QUALIFICATIONS FOR TITLE I

Schools qualify for funds based on economic need. All Richland County schools follow the School-Wide Title I Program Design.

SC HOOL WIDE REQUIREMENTS

- Comprehensive Needs Assessment The school must identify areas of greatest need.
- School-wide reform strategies. - Strengthen the core academic program.
- Increase the amount and quality of learning time.
- Develop strategies for meeting needs of underserved populations.
- Address needs of all, but particularly low-achieving students.
- Instruction by highly qualified teachers.

PARENT & FAMILY ENGAGEMENT

You can help make important decisions about your child's school by participating in school council meetings, stakeholder's meetings and Title 1 annual meetings.

ASSESSMENTS

Several measures are used to determine your child's progress toward meeting the standards. These include standardized tests, benchmark assessments, and teacher developed tests. Results from standardized tests and interpretation of the results are distributed evenly.

PARTICIPATION

Parent activities, workshops, and training are developed around responses to the annual parent survey as well as needs identified throughout the year.

PARENT RIGHTS

Know the professional qualifications of their child's teachers including degrees and certifications held.
Know whether their child is provided services by paraprofessionals. If so, know the paraprofessionals' qualifications.
Know the school improvement status of the school.
Know the level of achievement of their child in each area of the state assessment.
A parent should be involved in the planning and implementation of the parent engagement program.

Richland School District Two does not discriminate on the basis of race, color, religion, national origin, sex, disability, age, or other protected characteristic in its programs and activities.
