Proposition 28: Arts and Music in Schools Funding Annual Report

Fiscal Year 2026-27

Name: Lennox
CDS Code: 1964709-0000000
Allocation Year: 2025-26, 2024-25, 2023-24

1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

The Lennox School District remains deeply committed to empowering students through comprehensive, high-quality arts education that fosters creativity, self-expression, and personal growth. Guided by our core mission to weave artistic learning into everyday student experiences, we continue to collaborate with community partners, teaching artists, and specialized organizations to celebrate and elevate the arts across all our schools. With the support of Proposition 28 funding, Lennox School District has significantly expanded and deepened its arts and music offerings across all grade levels: Elementary Music & Dance: Building upon the success of our initial introductory music pilot, we have expanded our music partnership with the Symphonic Jazz Orchestra to deliver sequential, high-impact music instruction. Utilizing the CDE waiver to reach all five elementary schools, music instruction now serves students in grades TK through 2. Furthermore, we expanded our physical arts curriculum by introducing district-wide dance education in all elementary schools through Conga Kids, engaging young learners in movement, cultural rhythm, and team collaboration. Middle School Dance Program & Facility Upgrade: At the middle school level, we established a dedicated dance elective course to broaden secondary arts pathways. To support this program, we completed a total renovation of the middle school dance room—outfitting the facility with professional dance flooring, full-length wall mirrors, sound equipment, and essential instructional tools to provide a safe, inspire-driven environment for student performers. Visual Arts & Theater: To ensure classrooms across the entire district are equipped for creative exploration, Proposition 28 funds were utilized to purchase comprehensive art supplies for general and specialized visual arts classrooms. Additionally, we invested in modern stage and production equipment for theater arts programs across multiple school sites, enriching live performance opportunities for our students. Instructional Staffing & Long-Term Growth: In addition to capital, supply, and community partner investments, we continue to enhance site-based offerings with dedicated arts staff. Our long-term goal remains focused on strategically increasing certificated arts staffing and classified support in alignment with Proposition 28 guidelines, ensuring equitable, sustainable, and lifelong access to enriched arts education for every student in Lennox.

2. Number of full-time equivalent teachers (certificated).	0.6
3. Number of full-time equivalent personnel (classified).	0.0
4. Number of full-time equivalent teaching aides.	0.0
5. Number of students served.	2,813
6. Number of school sites providing arts education.	7
