

HEIDELBERG HEALTH PROFESSIONS

CAMP 2023

Interested in the medical field?

Do you like helping people? Then this camp may be for you!

Come be a part of the Heidelberg Health Sciences Division's Health Professions camp. You will have the opportunity to explore a variety of health care fields including athletic training, physician, physician assistant, nursing, nurse practitioner, dietitian, and chiropractor. This 3 day resident camp will give you both classroom and hands on learning activities such as casting, a team competition, and much more.

Camp Information

The Health Professions camp begins Wednesday, July 19 at 6:00 pm and ends Saturday, July 22 at 12:00 pm. An additional CPR and first aid course will be offered from 12:00-5:00 pm on Saturday. This camp is open to current high school students who will graduate between 2023 and 2026.

Registration

The cost for this camp is \$300 and includes housing, meals, and all activities. For participants who wish to take the CPR course, the cost will be an additional \$50. Full payment is required upon registration. Registration begins April 1. Visit www.heidelberg.edu/healthcamp to register.

Confirmation

When your registration is received you will be notified by email. You will also receive a series of follow up questions once your registration is received. Please check your email regularly, as this is our primary method of communication with campers and parents.

Refunds

A refund, minus a \$50 administrative fee, will be issued for any cancellation received by at least 2 weeks prior to the start of the camp. The administrative fee is not refundable for ANY reason because we have to guarantee a number of campers in order to prepare for the camp. Any cancellation received less than 2 weeks prior to the start of the camp will not be eligible for any refund except in the case of injury, illness, or mandatory school event, in which case supporting documentation from a doctor or school is required.
