Re: Halloween Parade and Social

Our Elementary Schools will hold a Halloween Parade and Classroom Social on Friday, October 30th.

- Parents will be allowed to view the parade on school property.
- If there should be inclement weather, the parade will be moved indoors and only staff and students will be permitted in the building.
- Students must bring their costumes to school in a bag labeled with their first and last name.
- No child is permitted to wear his or her costume to school.
- Parades will begin at 2:15 PM.
- After the parade, students will return to their classrooms for a classroom social event.
- Food will be permitted at the party, but MUST be prepackaged and peanut and tree nut free. Food should not be processed in a facility where peanuts/tree nut products are manufactured.
- Teachers will reach out to families for food donations for the day, as well as to provide families with additional information regarding the classroom plans for the afternoon. '

Information about costumes:

- Costumes must be school appropriate - No costumes with guns, swords, other weapons, or other inappropriate attire, including costumes that would be deemed scary in nature.
- Students can opt out of dressing up and participating in the parade, but may still attend the classroom's social event.
- Students will have the same expectation of appropriate behavior during the activity as a normal school day.
