

Food Service Board Report

September 2026

Michelle Daisson

Child Nutrition Director

Just as the leaves change with the seasons, we are always growing, changing, and becoming something new.

Fresh Fruit and Vegetable (FFV)

- ▶ We have introduced a wide variety of fresh fruit and vegetables to our elementary schools.
 - ▶ For example- Dragon Fruit, Longans, Jicama, rainbow carrots, variety of grapes, variety of melons, Rambutans, sweet peppers, and much more.
- ▶ We have educated kids on how to peel and eat these new foods.
- ▶ Kids learn how to describe tasted and textures by being introduced to new things.

Meal Favorites

Chicken Crisp-Ups

Pizza Rippers

Finger Steaks

We have successfully processed a large number of Free and Reduced-Price Meal applications and are pleased to assist families in ensuring their children have access to nutritious school meals.

Applications are accepted year-round, and we encourage parents and guardians to reach out if their family's financial circumstances change at any time during the school year.

Our Mission

We are happy to help and want to make sure every family has access to the meal benefits for which they may qualify.

THANK YOU FOR YOUR TIME
