ALGEBRA 2

Expectations

BE RESPONSIBLE

Come to class on time and be prepared with class materials. Follow class rules and procedures.

BE RESPECTFUL

Respect yourself, your peers, your teacher, and class supplies. Respect is the foundation of this classroom!

DO YOUR BEST

Put effort into your work and participate in class. It's ok if you try and fail but it's not ok to fail to try!

COURSE DESCRIPTION

The topics covered will include, but not limited to, matrices, basic properties of real and complex numbers, solving equations and inequalities in one, two and three variables, absolute value, exponents, factoring, polynomials, exponential functions, logarithms, sequences and series, statistics, and probability

SUPPLY LIST

- ❑ iPad
- ❑ Pens/Pencils
- ❑ Notebook
- ❑ Graphing Calculator
- ❑ Binder/Folder

Procedures

TURN IN...

Homework to online folder in schoology

WARM-UP

Short exercises, quick writes, word problems, etc...

CLASS WORK

Group work, Independent working time, notes, etc...

TESTS/QUIZZES

Listed on board and schedule! Be Prepared!

"Always be kind, you never know what someone is going through!"

TECH POLICY :

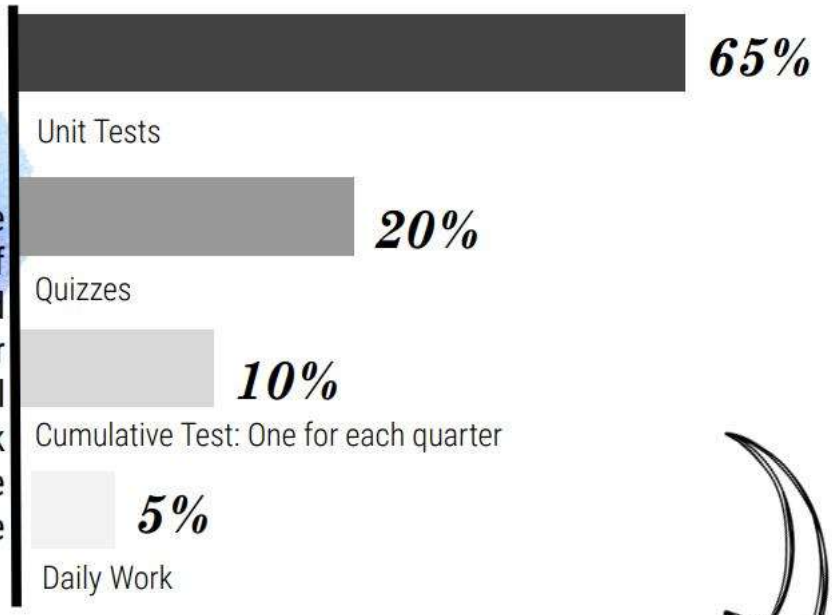

Students shall not use any electronic device that in any way disrupts or detracts from the educational environment. Electronic devices are inclusive of cell phones, smart watches, earbuds, and school-issued devices. Cell phones must be out-of-sight and out-of-use from the first bell to the last bell of all classes, including during study halls and within flexed learning spaces that are an extension of a classroom

EXTRA INFO:

- Be on time for class each day. Each quarter you will be given a drop of your lowest quiz. Unexcused absences or tardies will result in a loss of this!
- 'WIN' sessions will be designed to help you get extra practice. You may come any time for some extra help. You can also be required to come to one of these sessions - check schedule for info on each week's win sessions!

Grading

In this course your grades are broken up into 4 categories Each of these categories are weighted differently. This means that a test or major grade will affect your overall average more than a homework grade. Each quarter grade will be worth 50% of your semester grade

ABSENT?

If you are absent, you are still responsible for the material. All material & lessons are posted on schoology. If you miss a quiz or test you need to get it made up asap! You may turn in late work for partial credit up until the test day, after that it becomes a 0. If you are going to be gone, communication is key!
