Expectations

BE RESPONSIBLE

Come to class on time and be prepared with class materials. Follow class rules and procedures.

BE RESPECTFUL

Respect yourself, your peers, your teacher, and class supplies. Respect is the foundation of this classroom!

DO YOUR BEST

Put effort into your work and participate in class. It's ok if you try and fail but it's not ok to fail to try!

COURSE DESCRIPTION

The topics covered will include, but not limited to, geometry terms, distance, midpoints, shapes and their properties, transformations, logical arguments, area, surface area, volume, and probability

SUPPLY LIST

- ❑ Pencils
- ❑ iPad - charged and ready
- ❑ Notebook
- ❑ Binder/folder
- ❑ Calculator

Procedures

TURN IN...

Homework or projects on schoology

WARM-UP

Review problems from prior lesson, be ready to start this when you arrive to class.

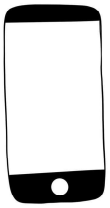

CLASS WORK

Notes/Lessons, Practice, Exit tickets, etc.

Tests/Quizzes

Listed on Board and schedule. Be Prepared!

"Always be kind, you never know what someone is going through!"

TECH POLICY :

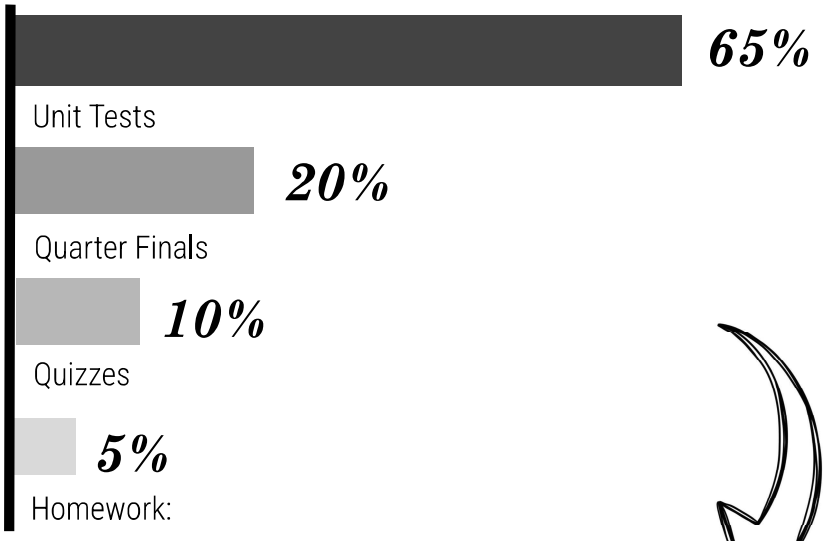

All phones, smart watches, headphones, and ipads must remain off and put away unless you are given permission to have them out.

EXTRA INFO :

- Be on time for class each day. Each quarter you will be given a drop of your lowest quiz. Unexcused absences or tardies will result in a loss of this opportunity.
- Win sessions will be designed to help you get extra practice. You may be required to attend to make up work or if you did not pass an exit ticket.
- Food/Drink policy - snacks will be allowed based on permission, if messes are left this policy can change. Drinks must have a cover.

Grading

In this course your grades are broken up into 4 major categories (Tests, Quizzes, Homework, and quarter finals) Each of these categories are weighted differently. This means that a test or major grade will affect your overall average more than a homework grade..

ABSENT?

If you are absent, you are still responsible for the material you missed before the next class period. All material and lessons are posted on schoology. If you miss a quiz or test, you need to get it made up asap - must be before the unit test for any credit. Missing homework - you will be given 2 days for full credit, late homework will be accepted until the test for half credit. If you are gone for a school activity work needs to be made up prior to your absence or communicated with me. With any absence, communication is key!!
