New Preschool at Shadow Butte

Huskie Pups Preschool

We are excited to announce the opening of the new **Huskie Pups Preschool** at Shadow Butte Elementary! Through our Community Schools grant, we received funding to offer early childhood opportunities for our youngest learners. After conversations with our current preschool program director, Shannon Anderson, it became clear that there was a strong need for an additional program serving 3- and 4-year-old children. With approximately 15 students on the waitlist for our existing preschool program, the opportunity to grow was clear.

From those conversations, **Huskie Pups Preschool** was created. The program is open to any child who is Emmett School District bound and will be able to serve up to 20 students. We are excited that 16 students are already registered and ready to get started, all without any formal advertising. By working closely with our existing preschool program, we have been able to help meet the needs of families who were previously waiting for an opening.

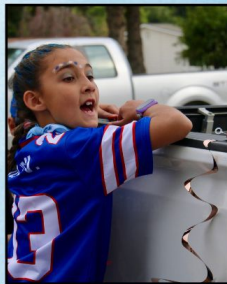

We are especially excited to have the amazing **Kristina Oliver** leading the development of Huskie Pups Preschool, with district support from **Abby Buck** and me. We look forward to watching this program grow and to providing even more of our youngest Huskies with a strong, positive start to their educational journey.
