## What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

**Effective Compacts:**

- Link to goals of the school improvement plan Focus on student learning skills
- Describe how teachers will help students
- develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## Jointly Developed

The parents, students and staff of West Point Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

**Parents are welcome to contribute comments at any time.**

If you would like to volunteer, participate and/ or observe in the classroom, please contact our Family Liaison.

Aleeshia Huguley . (706)812-7973

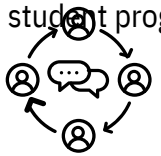

## Building Partnerships

Anytime parents visit WPES- from luncheons to academic workshops-our partnership is strengthened.
Please check the student handbook, website, and/or Social Media for scheduled events.
If you would like to volunteer or mentor at the school, please let us know.

## Communication about Student Learning

WPES is committed to frequent two-way communication with families about student's learning. Some of the ways you can expect us to reach you are:

» Weekly homework folders, Student Planners, Weekly Behavior Report
» Email or phone calls
» Updates on the school website and current grades in Infinite Campus.
» Conferences on student progress
» Home visits

Do you have questions about your child's progress?

Contact your child's teacher by phone at 706-812-7973 or e-mail.
E-mail addresses are on the school website at *westpoint.troup.or g.*

# Our Goals for Student Achievement

### *DistrictGoals*

The Board of Education sets goals for the entire district. The district goals for 2026-2027 are:

Goal 1: Strengthen High-Quality Instruction and Student Achievement

Goal 2: Foster a Supportive, Engaging, and Future-Ready Learning Environment

### *School Goals*

In Third Grade our school will focus on the following areas:

Goal 1: 80% of 3rd graders will be reading at a Lexile level of 520 or higher by May.

Goal 2: 80% of 3rd graders will know multiplication facts 0-12 by May.

Goal 3: 80% of 3rd graders will be able to develop an extended response to a prompt by May.

When teachers, students and families work together, we CAN achieve our goals!

# Teachers, Parents, Students - Together for Success

## *In the Third Grade Classroom*

The Third Grade classroom will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

Students will have a weekly reading log to complete 20 minutes of reading each night.

Sudents will receive weekly math fluency flashcards.

Students will have a bi-weekly writing prompt. Writing tips shared with parents will be used to support students with writing at home.

## *At Home*

West Point Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

Parents will make sure their child reads nightly.

Parents will help their child study multiplication facts nightly.

Parents will help their child with the bi-weekly writing prompt using the Writer's Checklist.

## *WPES Students*

West Point Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school:

Students will get books from the library on their Lexile level and read every day.

Students will practice multiplication facts every day.

Students will practice writing using a Writer's Checklist.

## *Additional Key Points for Success*

1. Go to bed on time.
2. Arrive at school no later than 7:25 each day in order to enjoy breakfast.
3. Come to school prepared.
4. Strive to be at school and on time every day.
5. Good relationship with teachers for open communication.
