Brad Littlefield

Brad Littlefield's story is not simply one of athletic accomplishments—it is a story of family, tradition, coaching, and a deep love for the Millsap community.

Beginning in his sophomore year, Brad lettered in football, basketball, baseball, and golf. As a senior, he added tennis to his resume'.

On the football field, he played linebacker and tackle and on the baseball diamond, he was a pitcher and second baseman. Brad's athletic ability and competitive spirit made him stand out among his peers as he was voted Most Athletic.

Brad's name remains permanently etched in Millsap baseball history as he holds numerous records including a .585 batting average (set in 1983) and 20 career pitching wins, as well as 11 pitching wins in a single season (set in 1984). That same year, Brad also pitched a perfect game. He became part of a standard set for future baseball players.

Upon graduation, Brad continued his baseball career at Hill College in Hillsboro, where he played for two years before transferring to Sul Ross State University in

Alpine. While at Sul Ross, an arm injury required surgery and brought an unexpected end to his pitching career.

For an athlete who had dedicated so much of his life to baseball, it could have been the end of the road. Instead, it became the beginning of a new chapter – coaching baseball.

Brad earned a BS degree at Tarleton State University. He began his coaching career at Brock HS, where he spent 15 years coaching baseball and basketball. In 2006, he was part of the Brock State Championship Baseball Team as an assistant coach. In 2025, he was inducted into the Brock Athletic Hall of Fame as an assistant coach alongside that championship team.

In 2006, Brad accepted the position of Head Baseball Coach at Millsap High School. In his first year as Head Coach, his team advanced to the second round of the playoffs and advanced to the playoffs four times in 8 years. In 2008, he coached his team to 22 victories, establishing a school record that remains a proud part of Millsap baseball history.

He and his wife, Johnnie Ellis Littlefield, have shared 36 years of marriage. They have two children, Zeb and Raelyn, both Millsap High School alumni and athletes. Their son, Zeb, was inducted into the Millsap Athletic Hall of Fame in 2023 for his outstanding accomplishments in golf.

Brad as a lifetime of giving back to the community with involvement the in various organizations including the Millsap High School Athletic Hall of Fame and the Millsap Heritage Society.

1984 All-Around / Coach

Chuck Felts

Chuck Felts' name is synonymous with excellence in Millsap High School athletics. Throughout his high school career, Chuck demonstrated an extraordinary combination of strength, determination, versatility, and leadership—qualities that made him one of the most accomplished athletes of his generation.

A three-sport athlete, Chuck left his mark wherever he competed. On the football field, he was a dominant force on both sides of the ball. He earned First Team All-District honors three times as an offensive lineman and three times as a defensive lineman.

His impact on defense was especially remarkable, as he was named District Defensive MVP twice, recognized as the Fort Worth Star-Telegram Defensive Player of the Year, and selected to Dave Campbell's All-State Team.

Chuck earned the honor of being named the Greatest Bulldog in his final year of competition.

His senior season stands as a testament to the intensity and determination he brought to every game. He recorded an incredible 198 tackles, 11 sacks, and six fumble recoveries, numbers that reflect not only his physical ability but also his relentless pursuit of excellence.

His accomplishments extended well beyond the football field. In track and field, Chuck was a four year varsity letterman earning the district champion three times in both the shot put and discus.

By the time his high school career came to an end, Chuck had earned four letters in football, four in track, and two in baseball. But the numbers and awards tell only part of his story. His true legacy is found in the example he set for those who followed him.

Chuck Felts did not simply participate in athletics at Millsap High School, he made an enduring impact. His achievements placed him among the finest athletes to ever compete for Millsap, while his dedication and competitive spirit helped define what it means to be a Bulldog.

Upon graduation, Chuck continued his successful football career playing two years at Cisco Jr. College and two years at Southwestern Oklahoma State earning 1st Team All-Conference and Honorable Mention All-American while earning a degree in Criminal Justice.

He and his wife, Danielle, have two daughters – Landry Felts (3rd grade teacher at Millsap) and Ellason (who is a senior at Ole Miss).

Theresa Watkins

Theresa Watkins exemplifies what it means to be a Lady Bulldog. Her outstanding athletic achievements, professional success, and unwavering commitment to excellence have earned her a place among the finest student-athletes in Millsap High School history.

During her years at Millsap High School from 1986 to 1990, Theresa distinguished herself as one of the school's premier multi-sport athletes. She competed at the varsity level in basketball, volleyball, track, and cross country, earning All-State honors in cross country and All-District recognition in both volleyball and basketball.

Her versatility, determination, and competitive spirit made her a leader on every team she represented. While Theresa excelled in every sport she played, it was on the cross country course where she truly left her mark as she was the first girl in MHS history to qualify for the state meet. During this breakout season, she finished an outstanding 15th in the state with a time of 13:18.

As a senior, she won the district title. Theresa qualified for the regional meet where she placed 2nd and set a school record with a time of 12:56. With hard work and dedication, Theresa once again returned to the state championships and improved upon her previous performance by placing 10th in the state with a time of 13:20.

Although her record has since been broken, Theresa's relentless work ethic, discipline, and passion for competition helped elevate Millsap's newly formed cross country program as one to be reckoned with as she established herself as the #1 runner for MHS during her high school career. Due to her remarkable success, she will always be considered as one of Millsap's all-time top cross country runners.

Following graduation, Theresa built a successful 20-year career in ophthalmology while simultaneously working part-time with Levy Restaurants. Through that experience, she developed expertise in hospitality, catering, and event management, ultimately making the decision to transition into the hospitality industry full-time. That decision led to opportunities to travel across the country while managing operations at some of America's premier entertainment and sporting venues.

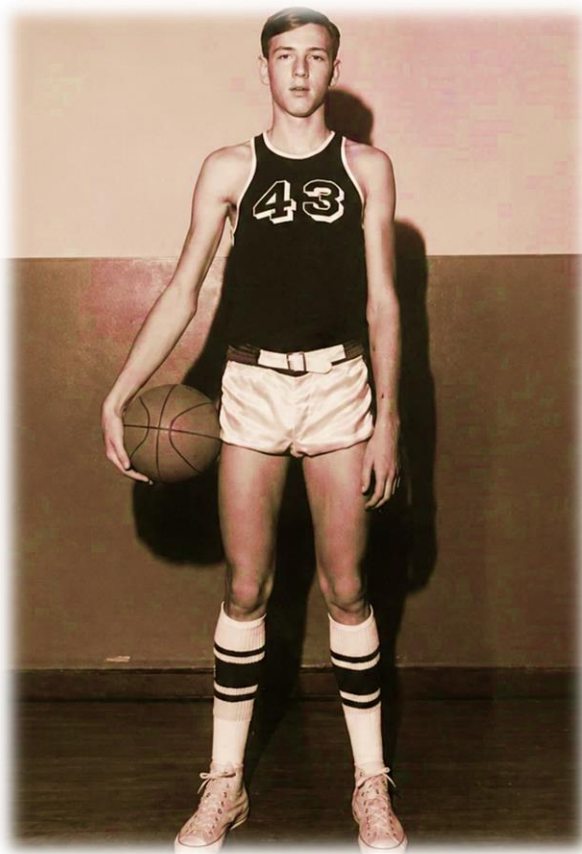

Today, Theresa serves as the General Manager of both the Las Vegas Motor Speedway and Sonoma Raceway, where she oversees operations at two of the nation's most recognized motorsports facilities. Her professional accomplishments reflect the same leadership, determination, and excellence that defined her athletic career.

Theresa currently resides in Henderson, Nevada. She is the proud mother of two children, Morgan Coe and Trace Coe.

Darrell

Hearne

A lifelong Bulldog, Darrell attended Millsap schools for all 12 years, beginning in 1958. His athletic journey started early, competing in junior high football and basketball.

In high school, Darrell earned four varsity letters in both basketball and baseball. As the starting pitcher, he helped lead the Bulldogs to back-to-back district baseball championships during his junior and senior seasons.

While he excelled in multiple sports, basketball was his true passion. His size, standing 6'6", skill and competitive spirit earned him recognition as one of the greatest players to ever wear maroon and white.

Over time, he developed into a premier offensive player increasing his scoring average from 13 as a sophomore to an elevation of 22 points and 17 rebounds per game in his final season. His outstanding play helped the Bulldogs capture district championships during his sophomore, junior, and senior seasons, losing only one district game over that three year span.

In his final season, he helped lead his team to a 30-3 record, which is still the best winning record for any MHS boys team over fifty years later. His outstanding play on the court earned him all-district, all-tournament an impressive 7 times and was selected to play in the prestigious All-Star game. His dominance also attracted the attention of college recruiters from across Texas as well as other states.

Following graduation, Darrell continued his basketball career at Abilene Christian University where he earned a full athletic scholarship. Darrell quickly made an impact as he led the freshman team in scoring before becoming a part-time starter as both a sophomore and junior. As a senior, he served as either a regular starter or the team's sixth man and was selected as a team captain. He also ranked among the Lone Star Conference leaders in field goal percentage, shooting an outstanding 53 percent from the floor.

In 1975, he graduated with a degree in education and for the next 32 years, Darrell devoted his life to teaching and coaching. He spent 22 years as a varsity girls' and boys' basketball coach, compiling an outstanding 343 career victories. He also served eight years as a junior high and varsity assistant coach.

Today, Darrell and his wife, Maricia, make their home in Granbury. Together they have a wonderful blended family of five children, eight grandchildren, and one great-granddaughter. In retirement, he enjoys camping with family in their fifth wheel, playing golf and spending time with his grandchildren and great-granddaughter.

Sally

Ruiz

Some athletes leave their mark on a record board. Others leave a legacy that lasts for generations. Sally Ruiz did both.

A standout in track and field at Millsap High School, Sally established herself the fastest sprinter in school history for the girls program.

Her natural speed carried her to the highest level of high school track and field in Texas, where she repeatedly earned a place among the state's best.

Sally's remarkable accomplishments at the state level began in 1988, when she finished 5th in the 100-meter dash at the state track meet. She returned to the state championship stage in 1990, once again proving herself among Texas' elite sprinters with a 6th-place finish.

In 1991, as a senior, Sally completed an incredible career for the Lady Bulldog Track Team, finishing 6th at the state track meet for the second time.

Her accomplishments were not limited to just individual events. Sally also was the anchor leg for the relay team. In addition, she etched her name into the Millsap High School record books, setting the school record in the 100-meter dash and the 200-meter dash —a mark that has withstood the test of time, 35 years later which is a testament of her God-given speed.

For 32 years, Sally has been happily married to her husband, Doug. They are the proud parents of two sons - Brett, 28, and Gannen, 22. Her family is one of her greatest accomplishments and a source of tremendous pride.

Sally has also embraced her entrepreneurial spirit. In 2013, she started her own small shirt business. Her creativity, hard work, and determination has turned her dream into a successful venture that she continues to proudly operate today.

Tonight, Millsap High School celebrates a true Bulldog who made her mark on the MHS track program and in the record books.

With great pride, we honor Sally Ruiz for her outstanding athletic achievements and welcome her into the Millsap High School Athletic Hall of Fame.

1994

Cross Country

Front Row (L to R): Teffany Strickland and Jayc Thomas
Second Row (L to R): Hattie Pugh, Amanda Patterson, Jennifer Walker, Telesa Tapp and Sheri Waller
Coach: Mike Martin

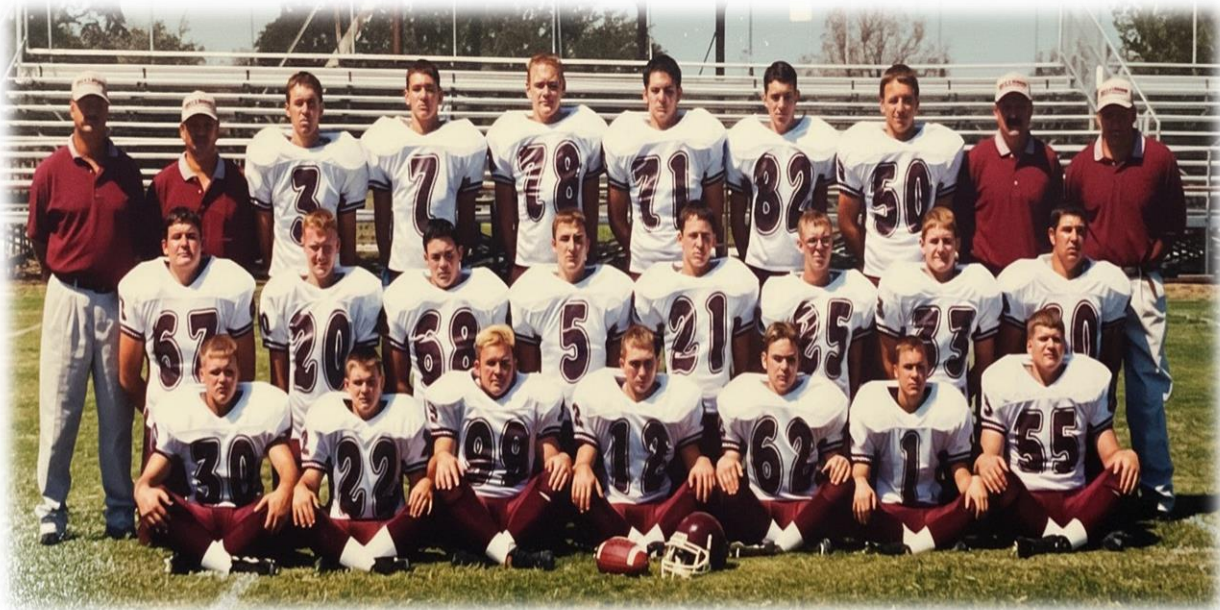

The 1994 Millsap High School Girls Cross Country Team established a legacy of excellence that forever changed the standard in Lady Bulldog Cross Country. Under the leadership of Coach Mike Martin, this team enjoyed one of the most successful seasons in school history, winning first in every pre-district meet and capturing the first regional championship ever earned by a Millsap girls' team.

Comprised of three freshman, three sophomores, and one senior, the young Lady Bulldogs combined talent, hard work and dedication to achieve their success. Leading the bulldog pack at the district meet was Hattie Pugh earning 2nd place. Finishing out the top 5 runners were Jennifer Walker (13), Telesa Tapp (21st) Sherrie Waller (24th) and Teffany Strickland (25th), giving Millsap the depth needed to dominate the competition as they walked away with the district title.

At the regional meet, Hattie Pugh once again led the Bulldogs as she finished eighth. Millsap placed five runners among the top 25 finishers finding themselves earning a berth to the state meet.

Hattie Pugh's consistency and leadership set the pace for one of the great teams in cross country for MHS. She finished 21st at state ending the season as the top runner for the Lady Bulldogs once again. Jennifer Walker, senior, crossed the finish line second for the Bulldogs in 31st place. Rounding out the top five MHS runners at state were Sherrie Waller (66th) followed by Telesa Tapp and Amanda Patterson. The team's scoring effort earned an impressive fifth-place finish among the state's best.

1999 Football

Top Row (left to right) Coach Randy Ivy, Coach Rick Teran, Trey Oliver, Danny Cokenour, Josh Kinman, Danny Frazier, Tony LaVigne, Micheal Doss, Coach Jay Walsworth, Coach Kyle Coker. Middle Row: Brandon Stull, Trey Adkins, Randall Rice, Richard Pugh, Casey Snow, Stephen Matthews, Ryan Slovensky, Wesley Finley, Bottom Row: Aaron Weise, Joey Pierce, Jason Burkhart, Bobby Harris, Devon Iiams, Chris Green & J.W. Waller.

The 1999 MHS Bulldogs etched their names into school history by accomplishing something no other football team has done before – winning an outright district championship and its first play-off game in school history. Finishing the season with an outstanding district championship. Finishing the season with an outstanding 10-2 record and a perfect undefeated mark in district play, this team established a standard of excellence that continues to define Millsap football.

Under the leadership of Head Coach Jay Walsworth, the Bulldogs combined exceptional speed, athleticism, determination and teamwork to dominate district competition.

The Bulldogs' playoff run began with an impressive 42-6 bi-district victory over Scurry-Rosser before their memorable season came to an end in the area round with a hard-fought 36-17 loss to Grand Saline.

The team's success was recognized across the district. Quarterback Bobby Harris earned District Most Valuable Offensive Player honors after directing one of the most successful seasons in school history. Chris Green anchored a dominant defense and was named District Most Valuable Defensive Player. Trey Oliver was named The Associated Press Sports Editors All-State Second Team based on regular-season performance.

First Team Offensive All-District selections included: Jason Burkhart, Trey Oliver, J.W. Waller and Wes Finley, while Aaron Weise, Trey Oliver, Richard Pugh, Michael Doss, Jason Burkhart and Casey Snow were honored on defense. Second Team offensive honors went to Joey Pierce, Casey Snow and Richard Pugh with Ryan Slovisky, Bobby Harris and kicker Trey Adkins earning Second Team recognition on defense. Honorable Mention selections included Devon Iiams and Stephen Matthews on offense and Wes Finley on defense.

More than two decades later, the 1999 Bulldogs remain a benchmark for success at Millsap High School. Their induction is a fitting tribute to a team who continues to inspire future Bulldogs.

Former

Inductees

Inaugural Class of 2023

Class of 1963 - Leo Ames – Basketball

Class of 1971 - Arlie Ashley – Football

Class of 1988 - Jamie Jenkins – All-Around

Class of 1997 - Hattie Pugh – All-Around

Class of 2011 - Zeb Littlefield – State Champion Golf

Class of 1966 - Ronnie Hearne—Basketball

Class of 1972 - David Kirk – Football

Class of 1989 - Sherri Brumbalow – All-Around

Class of 2000 - Sara Waldrum - Track
