A GUIDE TO YOUR WARRIOR PRIDE!

All About Osceola...

VISION STATEMENT:
To graduate 100% of our students, so they are prepared for college and career.

MISSION STATEMENT:
To sustain an environment where staff, students, parents and community work collaboratively to support all students in meeting or exceeding graduation requirements.

CORE BELIEFS:
A safe, supportive and culturally diverse environment promotes good decision-making and a strong learning community.

- The learning process is effective when it actively accommodates different learning styles.
- Challenging expectations raise performance.
- Teachers, administrators, support staff, students, parents and the community share responsibility for achieving the school's mission.
- Graduates will be sufficiently prepared to positively impact their community.

HISTORY:
Our school was established in 1981, we became a fundamental program in 2006, and represent the colors blue and orange.

ALMA MATER

To you dear Osceola
We sing our highest praise
With joyful strength and duty
Our voices loud we raise.

To praise you for the knowledge
That you do give us all
To learn with joy and gladness
Within your well-loved halls.

To you dear Alma Mater
We pledge our loyalty
Your fame dear Osceola
Our constant aim will be.

HOW TO USE THIS BOOKLET

Students and parents, this booklet allows you to browse through our points of pride, programs, clubs, sports, and pathway electives here at Osceola. This will allow you to become familiar with our school as well as interest you in the multiple pathways provided.

CTED

INSPIRING GREATNESS

Mission:
To empower and prepare our students to become tomorrow's leaders through a variety of collaborative and rigorous learning opportunities focused on career pathways related to local industry in technology, entertainment, and design. Through these efforts students will have a comprehensive portfolio to present potential employers or post-secondary institutions before they graduate from the program.

Vision:
To lay a foundation of success for our students in the dynamic technology-driven workforce so skills they learn throughout the CTED programs are transferable to their future careers and beyond.

SPORTS MARKETING*

DIGITAL DESIGN*

***Requires DBF as a pre-requisite**

CENTER FOR TECHNOLOGY, ENTERTAINMENT, AND DESIGN

CTED

ENTREPRENEURSHIP

Interested in owning your own business one day? In this pathway students explore their entrepreneurial skills and mindset to evolve an innovative solution to a problem into a validated business opportunity. Students go through the business plan model, learn about innovation, and get a better understanding of what it means to be your own boss. This is a hands on and project based pathway that will help you with your future career no matter what career path you are interested in!

Teacher: *Mrs. Loope, loopea@pcsb.org*

DIGITAL MEDIA/VIDEO

Do you love movies/shows on streaming sites or TV? How about videos/reels on social media? Join Digital Media/Video and learn how to make videos and be a filmmaker/content creator. In this pathway students learn skills for working in the tv/film/content creation industries like editing, directing, acting, filming, lighting, audio recording, VFX, and more. You will write and create your own film projects and build a showreel. You could also choose to pursue the broadcast TV pathway and train in roles such as producer, technician, camera operator, video engineers, audio engineers, news anchors, and weather.
