GRADING CALCULATIONS (GPA)

The GPA, computed at the end of the sixth semester, includes all subjects in which a student has received a letter grade. The transcript reflects an unweighted and weighted GPA. Weighted GPA is calculated by adding one point for each AP or IB course completed. Lincoln High School reports standard GPA and rank on the secondary school report. If a student repeats a course (R), the GPA on the transcript is reflective of the higher grade earned.

A 4.0	NG No Credit*
B 3.0	WX No Credit*
C 2.0	WF 0.0**
D 1.0	I Incomplete*
F 0.0	Pass/No Pass*

*NG, WX, I, P, and NP designations are not calculated in the cumulative GPA.

**Students receiving a WF elected to drop the course after the first 3 weeks of the semester. WF designations are calculated in the cumulative GPA

***In alignment with Portland Public Schools policy, class rank is not reported on transcripts unless explicitly required by a postsecondary institution or scholarship committee.**
