4. Enter **your student's s-number** as the **User Name**. Enter their password in the **Password** box.

Click the blue **Log In** button.

If you see **your student's name in the top right corner**, you've successfully logged in to their Destiny account.

From here, you can search the school library catalog and view items your student has checked out.

If you receive an error message when attempting to log in, verify that you have:

- Selected the correct school
- Entered the correct s-number
- Entered the correct password (students may reset their own passwords)

If you experience any difficulty accessing your student's Destiny account or searching the catalog, please contact your student's school librarian or elementary library associate.

Parents/guardians are encouraged to visit with their student's school library staff, view the library collection, and share any concerns they may have about library resources.
