

NORTHWEST ALABAMA FIRST TEACHER HOME VISITING

HOME VISITING

First Teacher Home Visiting is a **FREE** program that provides enrichment opportunities for families. We connect our families to resources within the community. Our program serves pregnant women and families with children up to kindergarten age.

WHAT IS FIRST TEACHER?

This program is designed to inform, support, and encourage parents. Parents have a vital role as their child's first teacher so we will partner with you to give your child an excellent start by working to ensure the best possible development in their early years of life.

ENROLL YOUR FAMILY NOW!
