Protect
yourself and
your loved ones.

Get
vaccinated.

Winona Health School-Based Health Clinics, in conjunction with Winona County Health and Human Services and Winona Area Public Schools, will be hosting flu vaccination clinic days at the Winona Middle School and Winona Senior High School locations for students and WAPS staff who need flu vaccinations.

To learn more about our school-based health clinics, read FAQs and download forms, scan the QR code, visit winonahealth.org/schoolclinics or call **Pediatrics & Adolescent Medicine** 507.457.7607

To Register

Fill out the registration/consent form and return to your school's health office by **Monday, October 19.**

Winona Health

855 Mankato Avenue • Winona, Minn. • 507.454.3650

Find us online:
winonahealth.org

Appointments will be billed to insurance and health information will be added to the student's electronic medical record just as it would be if the student were seeing a primary care provider at Winona Health.
