OUR COMMUNITY

Located on the south shore of Long Island, approximately 64 miles east of New York City, the South Country Central School District is a diverse community with a deep sense of history and small-town charm. Its 16-square-mile area located in southern Brookhaven Town is comprised of the Village of Bellport, the hamlets of Brookhaven, East Patchogue and North Bellport, and parts of Yaphank and Medford. We believe that students are the priority in our learning community, each deserving a high-quality education to prepare them as life-long learners and participants in a diverse and rapidly changing world.

Our high school offers an array of classes including Honors, Advanced Placement, and College Credit bearing courses. We have a renowned music program as well as an exceptional Fine Arts program. These are just a few of the highlights that make our school such an outstanding place.
