TOMBALL INDEPENDENT SCHOOL DISTRICT
RFP #1001-26 Issued: September 28th, 2026
REQUEST FOR COMPETITIVE SEALED PROPOSALS
FOR THE REPLACEMENT OF HVAC EQUIPMENT AT FIVE FACILITIES

I. Notes From The Owner

- A. At any site, prior to the beginning work on the first chiller on that site, it is required to install the temporary chiller connection flanges and pipe.

II. Clarification(s), Questions and Response(s)

- A. QUESTION: What happens if the equipment will not arrive in time to meet the substantial Completion Date?
 - a. ANSWER: We will negotiate a new Substantial Completion Date upon receiving appropriate evidence of delivery date.
- B. QUESTION: Are there any badging requirements to work on site?
 - a. ANSWER: Yes. Each day, every worker is required to go to the main lobby entrance to sign in and have their backgrounds checked. They will be given a temporary badge.

III. Changes to the RFP Document

- A. None with this Addendum

IV. Changes to the Drawings & Specifications

- A. Changes to the drawing [File named "... Addendum 4-Design Addndm 2"], also posted on the District' "Bids and Proposals" website.
 - a. There are changes to the drawings Bidders are required to review and incorporate into their proposal as you see fit.
