Your donation helps with...

Trips, Travel & Experiential Learning

Support field trips, Service Week, Cottonwood Institute, outdoor education, New Orleans trip, and other travel experiences while helping ensure that every student can participate regardless of financial circumstances.

Arts, Music & Creative Opportunities

Provide art supplies, digital art tools, music equipment, live models, visiting artists, museum experiences, and other resources that allow New Vista students to create, explore, and express themselves.

Mental Health, Wellness & Therapy Dog Support

Support our therapy dog, wellness activities, calming materials, therapeutic and resiliency resources, and professional development for staff supporting student mental health.

Advisory & Community Building

Advisory is at the heart of New Vista. Donations support snacks, activities, celebrations, Advisory Olympics, and other experiences that strengthen relationships, belonging, and community.

Service Week & Real-World Skills

Provide supplies, transportation, and resources for Service Week projects as well as opportunities such as CPR and First Aid certification that give students practical, real-world skills.

Family & Community Engagement

Support Latino Family/FET gatherings and other family engagement opportunities by providing meals, activities, and resources that help families connect with New Vista.

Student Clubs & School Traditions

Support Student Council, Community Gathering Free Raffles and other activities that make New Vista a fun, inclusive, connected place to belong.

Food, Agriculture & Hands-On Learning

Provide equipment and supplies for Agriculture, Food & Natural Resources experiences, including cooking with student-grown produce and connecting our school garden to the Boulder County Farmers Market.

Guest Speakers & Community Experts

Provide stipends for artists, educators, professionals, and other experts who bring new perspectives, expertise, and real-world experiences into our classrooms.

Academic Support & Enrichment

Support tutoring, intervention and credit recovery, student-choice books, STEM and math opportunities, Workshops and Seminars, and other academic experiences that meet students where they are.

Culminating Projects & Student-Led Learning

Help students bring ambitious ideas to life through Culminating Projects and other student-designed learning experiences.

The New Vista Opportunity Fund

Provide flexible funding that allows us to say “yes” to emerging student and teacher ideas, unexpected learning opportunities, innovative workshops, field experiences, and other needs throughout the year.

Professional Development

From Emeritus teachers to workshops, conferences, and additional learning opportunities for staff and faculty.

And Don't Forget the Fun!

Your donations also help make possible the experiences that build community and create lasting New Vista memories —**Advisory Olympics, Winter Bash, Prom, Spirit Weeks, celebrations and more!**
