Congratulations

Mia Miranda

for being inducted into
the
***Stony Brook Athletics
Hall of Fame***

“Almaris "Mia" Miranda established herself as one of the most prolific [volleyball] players in program history.”

“In two seasons...she rewrote the record book, delivered a conference championship and set a standard of excellence that continues to define the program more than two decades later.”

NY Inspires

A Flexible Pathway Through the Four Transformations

There is no specific prescribed order to conduct this work. Teams move through the Four Transformations based on their own readiness and roadmap.

1

Adopt the NYS Portrait of a Graduate

2

Redefine Credits and Learning Experiences

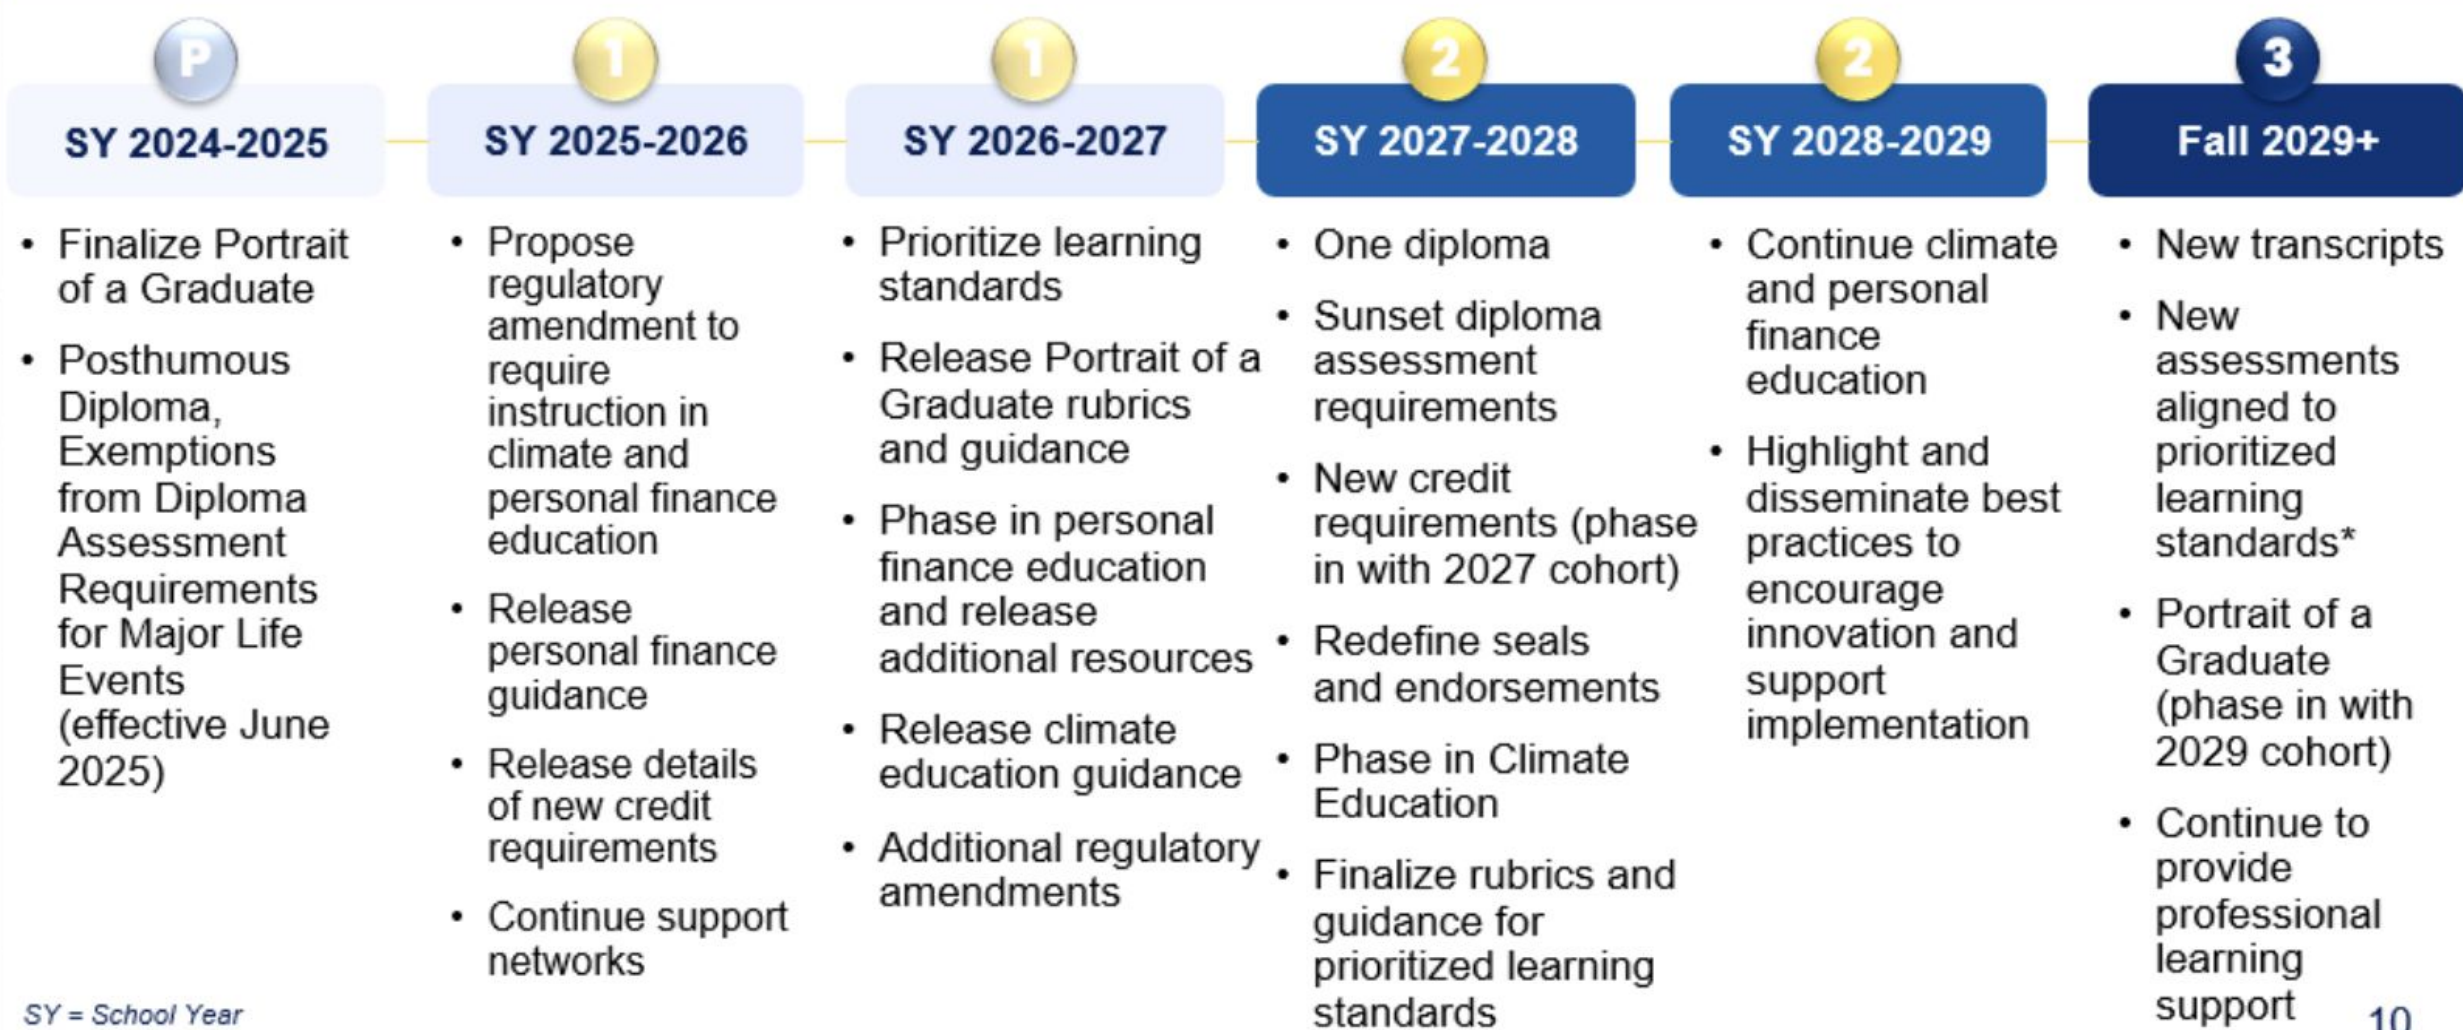

3

Sunset Diploma Assessment Requirements

4

Move to One NYS High School Diploma

Overall Timeline

UPDATES:

What do we know now?

- We still have Regents exams (2027-2028, no longer a graduation requirement)
- 22 Credits remains in effect
- There will be 1 NYS HS diploma (2027-2028)
- Students will take assessments similar to 3-8 assessments

What do we still need to know?

- We are waiting for rubrics from NYS
- We are waiting for prioritized standards
- Guidance coming on the development of local seals & endorsements

ENL Orientation and Graduation

October 1, 2026

Federal Scholarship Tax Credit: What It Means for Us

What it is

- Up to \$1,700 credit per taxpayer, \$3,400 per married couple
- Dollar-for-dollar against federal income tax owed
- Donations go to a scholarship organization (SGO)
- Funds tuition, after-school care, tutoring, some field trips

What you can do

- Families and employees: send your credit to local students instead of Washington
- Local businesses: offer payroll deductions to benefit an SGO

TECHBUFFALO

25%+

of OneDigital's own work is handled by 21 AI coworkers. Harvard and MIT have studied the model, and the University at Buffalo is joining.

What it is

A new Buffalo-based company from OneDigital and Radial Ventures in conjunction with TechBuffalo and the 43North Foundation that helps employers use AI coworkers alongside their employees.

Our role

Sweet Home is an early development partner, alongside Harmac Medical, Aleron, Phillips Lytle and others. We will implement with staff to support their work.

How it can help us

AI coworkers take on routine tasks so staff can focus on higher-value work, adding capacity without reducing headcount. Our experience helps shape the product.

Questions & Discussion

Thank you to the Board of Education for your continued partnership.
