Admission and Participation

Students select CTE pathways through the district's course-planning process. Placement is subject to applicable course prerequisites, grade-level eligibility, and course availability. Dual credit opportunities have additional college-partner eligibility requirements outlined in the district course guide. A campus counselor can assist with course and pathway planning.

Nondiscrimination Statement

Ferris Independent School District does not discriminate on the basis of race, color, national origin, sex, or disability in its CTE programs, services, or activities. The district also does not discriminate on the basis of race, color, national origin, sex, disability, or age in its employment practices, consistent with applicable federal civil rights laws, including Title VI, Title IX, Section 504, and the Age Discrimination Act.

Ferris ISD will take steps to ensure that a lack of English language skills is not a barrier to admission or participation in educational and CTE programs.
