The following are our updates from this week for Capital Improvements:

Freeman Elementary:

- Work continues on waterproofing the walkway and completing site concrete
- Contractors also continued work on the roof metal
- Freeman walkway continues to progress; Toni Haight (Freeman Principal) invited her entire school (students and staff) to “sign the floor” in the walkway. Students and staff had a blast adding their forever mark to Freeman Elementary!

Nelson Elementary:

- Contractors continued work on the roof metal

Looking Ahead to Next Week:

- Heating startup for the units at Freeman Elementary, Nelson Elementary, and the Administration Building is scheduled to take place while the buildings are empty
- Contractors have equipment on-site and are ready to begin the roofing project at Oatville Elementary

CHS CTE Addition Groundbreaking:

October 16th, our district celebrated an exciting milestone with the groundbreaking ceremony for the USD 261 Capital Improvements project at Campus High School, in front of the future CTE addition.

This event marks the beginning of an exciting new chapter for our CTE programs and the opportunities we will be able to provide our students.

USD 261 Capital Improvements Weekly Update: October 9 & 16, 2026
