

Adding an accordion element

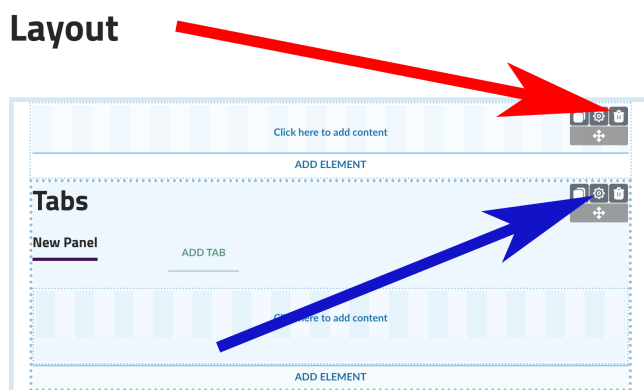

1. I created a new page and name it Layout. Click on “ADD ELEMENT” (Red Arrow)

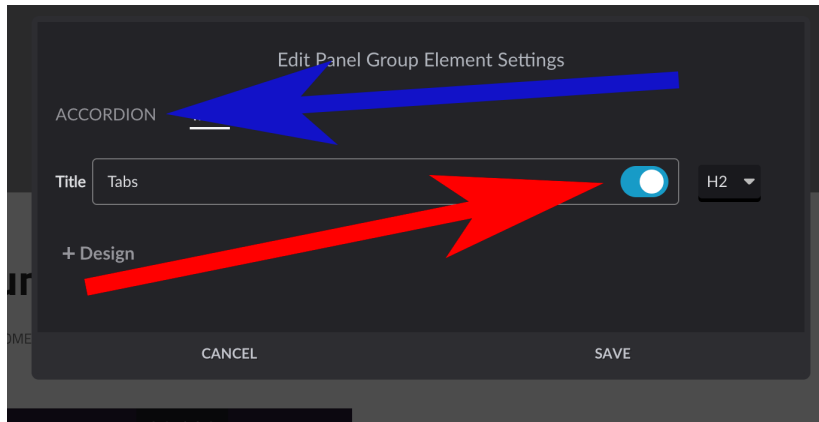

2. On the pop up window, click on “Layout” (Red Arrow). Then click on “Tabs” (Blue Arrow).

3. I am going to remove the top section/element by clicking on the trash can icon (Red Arrow) and “Delete). Click on the “Settings” (Blue Arrow).

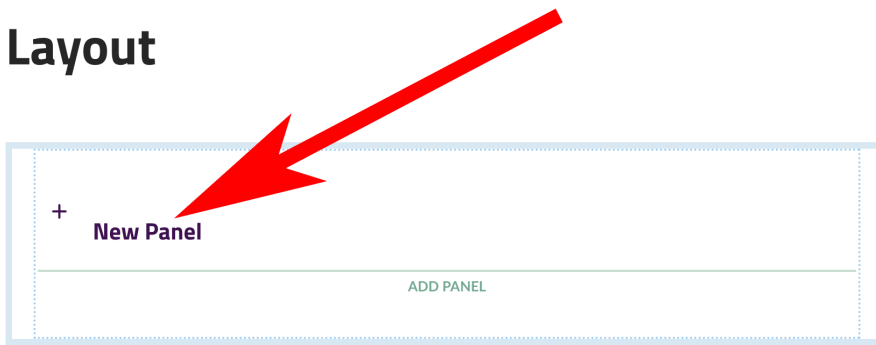

4. Name goes under “Title”, or if you don’t want a title, toggle off (Red Arrow). Click on “ACCORDION” (Blue Arrow) and click “SAVE”

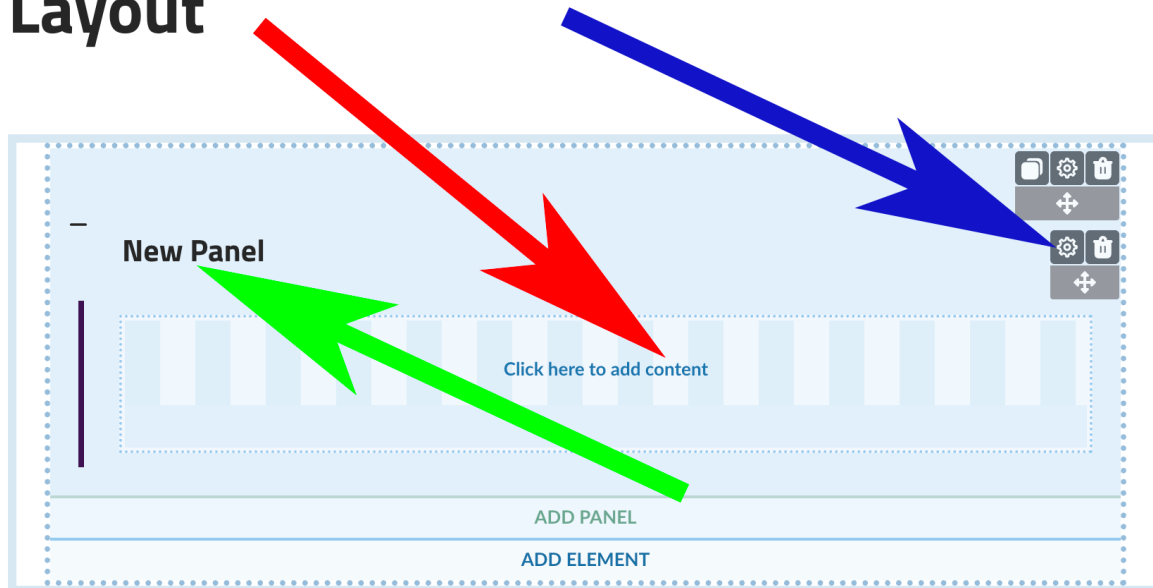

5. Click on “New Panel” (Red Arrow) to add content.

Layout

6. Click on Red Arrow for content. To change the name of “New Panel” (Green Arrow), click on the “Settings” (Blue Arrow) and type new title and SAVE.
