Confidence without arrogance. Skills without screens. Social without the media.
Ready for emergencies, for challenges, and whatever the world throws their way.

Prepared. For Life.™

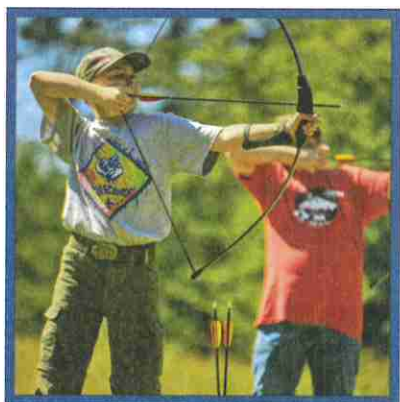

WHY JOIN CUB SCOUTS?

Exciting Activities: Field trips, camping, STEM, Pinewood Derbies, games, and more!

Cub Scouts is designed to engage kids in fun, age-appropriate group activities. They earn awards and recognition while gaining confidence and learning new skills.

Well-Rounded Adventures: Activities fall into six key areas—Character/Leadership, Outdoors, Personal Fitness, Citizenship, Personal Safety, and Family/Reverence.

Scouts also get to choose from **72 elective adventures** to explore topics like nature, animals, STEM, arts, and more!

TIME COMMITMENT

Year-Round Fun: Meetings, outings, service projects, and more—every season brings something new! Most Cub Scout Packs meet 2-3 times a month during the school year and attend camp or do special outings in the summer. If one Pack's schedule doesn't work for your family, we can help you find one that does!

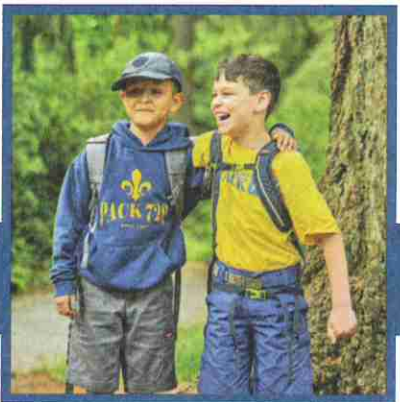

COST & SUPPORT

All youth can join regardless of ability to pay. Financial assistance is available. Learn more at **Samoset.org/aid**. Scouts can also participate in various fundraisers to earn their own way and gain valuable communication skills.

SAFETY

The safety of our youth and volunteers is our top priority. Samoset Council and Scouting America follow strict guidelines and train all leaders to ensure every activity is safe, supportive, and age-appropriate.
