One Team, One Goal: School-Family Plan

What is Title I?

Our school is identified as a Title I School as part of the Every Student Succeeds Act of 1965 (ESSA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with all parents a written family engagement plan.

School-Parent Compacts

As part of this plan, we will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop together that explains how parents and teachers will work together to make sure all our students reach grade level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers.

What is the One Team, One Goal: School-Family Plan?

This is a plan that describes how we will provide opportunities to improve family engagement to support student learning. We value the contributions and involvement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that we will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed and revised?

Our school welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for next year. The plan is posted on our school website for parents to view and give feedback throughout the year. We will also distribute an annual survey in the spring to ask parents for their suggestions on the plan and the use of funds for family engagement. Parents can also give feedback during any of our family activities and meetings to revise the plan for the upcoming school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. We promote the participation of parents with limited English, parents with disabilities, and parents of migratory children. Residential facilities in our attendance area are included in the Family Engagement correspondence and activities.

Where is it available?

At the beginning of the year, the plan is sent home with each student attending our school. The plan will be posted on our school website and copies will be available at our Annual Title I Meeting held in the fall before November 1. Parents can also retrieve a copy of the plan in the Parent Resource Center.

DIstrict Goals:

At the end of the 2026-2027 school year, Stone Creek Elementary will see an increase of 3% on the NWEA MAP Math Median Achievement Percentile and/or the Georgia Milestones EOG Math Assessment.

We Listen!

We have reviewed your feedback on the Annual Spring Evaluation Survey and have created this plan accordingly.

We will:

- Ensure that all information related to school and family programs, meetings, and other activities is published in both English and Spanish, posted on the school social media/website, and included in the school newsletter for all families.
- Conduct staff development on parent engagement practices and effective strategies for staff to communicate and build partnerships with parents.
- Partner with childhood programs, middle school and high schools, college and career ready resources or organizations, parent resource centers, or other programs to help prepare parents and their children for successful school tranitioning.
- Provide necessary materials and handouts for families at conferences, meetings, and activities to help families work with their child to improve their child's academic success.
- Share information in school newsletters, on school website, and in Parent Resource Center that assists parents with identifying ways they can monitor their child's progress and work with educators.
- Communicate with all families and the community on a regular basis regarding school wide events and activities, such as phone messages, emails, flyers, and postings on social media.
- Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of family engagement and how to support student learning.
- Use our BEAT Partners and volunteer committee to improve the activities and events listed in the school family engagement plan.
- Assist parents in finding and participating in classes to help further enhance their various education backgrounds.
- Collect feedback from families at all events, provide a survey during the spring to receive feedback and revise this school-family plan for the following year.

Family Engagement

We believe that family engagement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- That parents play an integral role in assisting their child's learning;
- That parents are encouraged to be actively involved in their child's education at school;
- The parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;
- The carrying out of other activities as described in this plan

School - Family Compact

Staff Pledge:

- Provide high-quality curriculum.
- Update grades in Infinite Campus in a timely manner.
- Participate in professional development opportunities that improve teaching and learning ways that support two-way meaningful communication with families.
- Communicate regularly with families and students regarding student progress.

Student Pledge:

- Come to school ready to learn and work hard.
- Monitor my grades using Infinite Campus.
- Participate in class, bring necessary materials, completed assignments and homework.
- Communicate regularly with teachers and parents about school experiences so that they can help me be successful.

Family/Parent Pledge:

- Ensure that my child attends school every day, gets adequate sleep, regular medical attention, and proper nutrition to the best of my ability.
- Regularly monitor my child's progress using Infinite Campus.
- Participate at school in activites such as decision making opportunities, volunteering, and attend family engagement events.
- Provide feedback and help develop school-family plans.
