School: Long Beach Polytechnic High School

Pathway Name: CIC
Pathway Name: Center for International Curriculum (CIC)
Industry Sector: Non-industry specialized program

Pathway Vision: Students are a globally aware community of intellectually curious, innovative and adaptable college-bound leaders, thinkers, and doers. CIC students use their unique perspectives and experiences to build more positive local and worldwide communities.

Pathway Mission: To nurture independent, self-motivated, and societally active students by infusing interdisciplinary and multicultural connections and encouraging exploration of life and career options. Students graduate with marketable skills in language and communications gained through internship opportunities that will open doors for them to work internationally.
