FROM THE DESK OF Mr. Bailey

Dear Tiger Students and Families,

We have great news to celebrate academically! Conway High School earned a Good rating on the South Carolina School Report Card, along with strong graduation and College and Career Readiness results. Congratulations to Dr. Tanika McKissick, our students, teachers, and staff for their hard work and dedication!

This has also been a special week as we celebrated both the Educational Foundation Hall of Fame and the inaugural class of the Athletic Hall of Fame. These celebrations were wonderful opportunities to recognize individuals who have made a lasting impact on our school and community. Thank you to everyone who helped make these events successful.

As we enter the final week of the first quarter, I encourage our students to finish strong. The quarter ends Friday, October 23. Parents, please review your student's grades, discuss their progress, and encourage them to complete any outstanding assignments. Every day matters!

Wednesday, October 21, is Unity Day, a day dedicated to standing together against bullying and promoting kindness, acceptance, and inclusion. We encourage everyone to wear orange in support. We also have PSAT testing on Wednesday and our Honor Society Induction Ceremony on Thursday. Our fall athletic teams are entering postseason competition, and we wish them continued success!

Thank you for your continued support of Conway High School!

One Team. One Standard. Excellence.

Go Tigers!

ANNOUNCEMENTS

Conway High School Earns Good Rating on State Report Card

We are proud to announce that Conway High School has earned an overall rating of Good on the South Carolina School Report Card!

Our school continues to demonstrate strong academic results, including a graduation rate above 90% and some of our highest College and Career Readiness scores. These accomplishments reflect the hard work and dedication of our students, teachers, and staff, along with the continued support of our families and community.

I also want to extend a special congratulations to Dr. Tanika McKissick, who served as principal during the 2025-2026 school year. Her leadership, along with the commitment of our faculty and staff, played an important role in these results. We appreciate the work she did to help Conway High School achieve this success.

Congratulations to our entire Conway High School family! This is an accomplishment worth celebrating, and we are proud of what our students and staff have achieved.

Conway High School Athletic Hall of Fame

What an incredible week celebrating the inaugural class of the Conway High School Athletic Hall of Fame!

On Thursday evening, we had the opportunity to honor six legendary Tigers during our inaugural Athletic Hall of Fame Banquet. The celebration continued Friday night as we recognized our inductees at halftime of our football game against North Myrtle Beach.

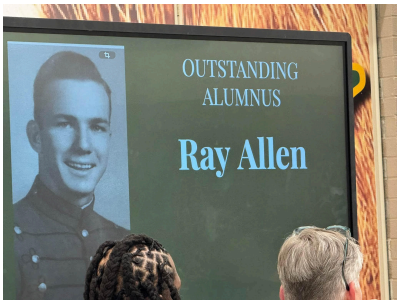

Congratulations to our inaugural Hall of Fame class: Norris Brown, Bryan Edwards, Junior Hemingway, Grant Holmes, Shamae Hemingway Johnson, and Chuck Jordan!

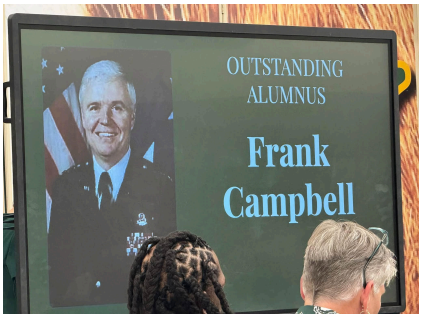

These individuals have made a lasting impact on Conway High School athletics, and it was special to see our school and community come together to celebrate their accomplishments.

Thank you to Dr. Tanika McKissick, our Hall of Fame committee, and everyone who worked to make this first induction class and celebration possible. We also appreciate the families, friends, alumni, and community members who joined us throughout the week to honor these outstanding Tigers.

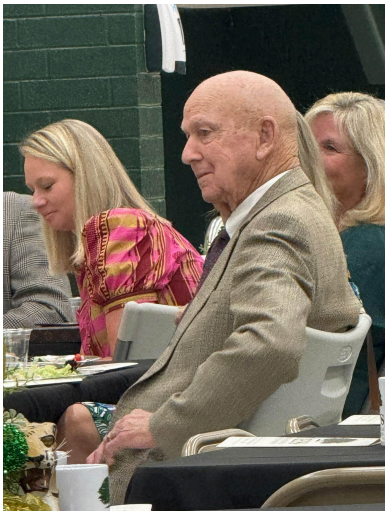

This is just the beginning of something special at Conway High School. There are so many deserving individuals who have contributed to our athletic programs over the years, and we look forward to recognizing more of them in the years ahead.

Conway High School Educational Foundation Hall of Fame

What a great evening celebrating the Conway High School Educational Foundation Hall of Fame and 40 years of supporting Conway High School!

Congratulations to our 2026 Hall of Fame inductees, Ray Allen, Frank “Ted” Campbell, and Steve Hall. It was a special night recognizing these outstanding individuals and the impact they have made on our school and community.

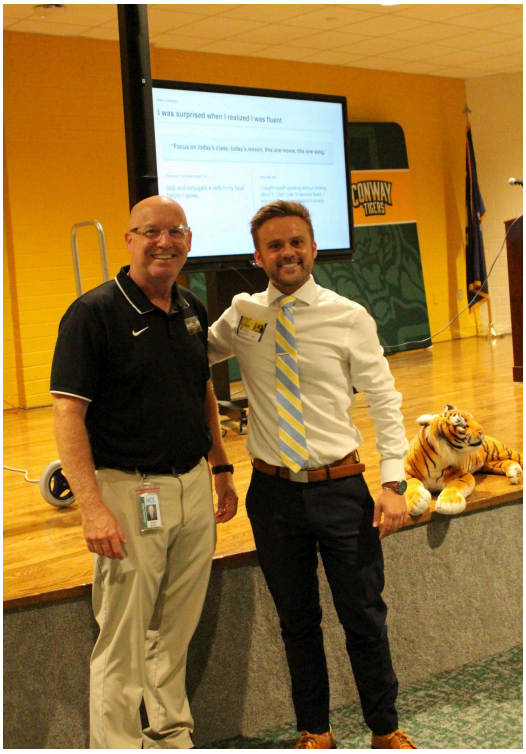

Thank you to the CHS Educational Foundation Board for their hard work in putting together such a wonderful event and for their continued commitment to Conway High School. We also appreciate everyone who attended and helped make the evening a success.

If you have never attended the Educational Foundation Hall of Fame Banquet, make plans to join us next year! It is a great opportunity to celebrate the people who have helped shape Conway High School, reconnect with fellow Tigers, and support a foundation that continues to make a difference for our students.

There is something special about the pride and tradition of Conway High School, and evenings like this are a great reminder of that.

CHS Celebrates National Hispanic Heritage Month with Simon Williams

On Thursday, October 15, Conway High School ESOL students welcomed Mr. Simon Williams from WPDE's *Good Morning Carolinas* as part of our National Hispanic Heritage Month celebration!

Mr. Williams shared his personal journey of becoming bilingual and discussed the career opportunities that come with speaking multiple languages. He also encouraged our students to remain determined, practice consistently, and never give up on their goals.

His message reminded our Tigers that being bilingual is a strength that helps build relationships, break down barriers, and open doors to future opportunities.

Thank you to Mr. Williams for taking the time to visit Conway High School and share his experiences with our students!

Student Computer and Internet Use Reminder

We want to remind students and parents that Horry County Schools issued devices are intended for educational purposes. Access to technology and the internet is a privilege, not a right, and students are expected to use these resources responsibly and appropriately.

Please understand that student activity on HCS issued devices is monitored, and school administration receives notifications when inappropriate activity occurs, regardless of whether the device is being used at school, at home, or anywhere else. Students are expected to follow district technology policies at all times, and inappropriate use may result in disciplinary consequences or loss of technology privileges.

Parents, please take a few minutes to remind your students of these expectations and encourage responsible computer use, even when they are away from school. We appreciate your partnership in helping our students make good decisions and use technology as a tool for learning.

Honors Rush Season

Unity Day

Conway High School will recognize Unity Day on Wednesday, October 21. Students and staff are encouraged to wear orange as we come together to promote kindness, acceptance, inclusion, and a school community where everyone feels valued and respected.

Let's fill CHS with orange and show what it means to be One Team!

Student Pick-up

Parents, please pick up your students on campus and follow our established dismissal procedures by using the school pick-up line. For safety reasons, we do not encourage students to cross Highway 501 to meet a parent or guardian. In addition, parents should not use the

student parking lot for student pick-up. This creates a safety concern and will be addressed when observed.

The school will not deliver messages to students directing them to meet a parent across the highway. We appreciate your cooperation and partnership in helping us maintain a safe environment for all students during dismissal.

Upcoming Testing Dates

Please make note of the following upcoming testing dates at Conway High School:

- PSAT — Wednesday, October 21
- WIN Testing — Thursday, October 29

Additional information regarding testing schedules and participating students will be shared as we get closer to each testing date.

After School Activities

All students are expected to leave campus at the end of the school day unless you are participating in a supervised after-school activity. Students may not remain on campus or hang out after school while waiting for an athletic event or other event to begin.

Only students who are under the direct supervision of a club sponsor, fine arts staff member, coach, or other staff member are permitted to remain on campus after school.

Students found on campus after school without staff supervision will be subject to disciplinary consequences. Please make arrangements to leave campus at dismissal and return later if you plan to attend an athletic event or other school activity.

Conversations with Cliff

Mark your calendar for Conversations with Cliff, an opportunity to connect directly with Horry County Schools Superintendent Clifford Jones. These informal listening sessions are designed to give parents, staff, and community members a chance to share ideas and concerns, ask questions, and hear updates from around the district.

Conway High School will host Conversations with Cliff on Tuesday, January 12, 2027, from 8:45–9:45 AM. Everyone is welcome, and no registration or appointment is needed.

We hope to see many of our Tiger families and community members there!

Conversations with Cliff

Mr. Clifford Jones, Superintendent of Horry County Schools, will be holding "Conversation with Cliff" events throughout the school year. Mr. Jones wants to use these events to listen to the community's ideas and concerns and to share news about the district with community members. These events are just one of many ways Mr. Jones hopes to connect with the community and listen, share, and learn to make Horry County Schools an even better district.

The administration reserves the right to revoke an exam exemption in cases involving academic dishonesty, disciplinary action, or other circumstances that warrant administrative review.

Attendance

It is imperative that you read our Attendance Guidelines so that you are informed of our expectations, procedures, and protocol. Please view the guidelines here. This document provides information about truancy, promotion/retention, principal-approved absences, and more!

In addition, the consequences of cell phone use will be changed to align with the HCS Personal Electronic Device Policy. Please see the consequences below. Also, there are size limitations for purses and lunch boxes. Please refer to the last entry titled, "What about Privacy."

Morning Searches/Clear Backpacks

Each morning, students will walk through weapon scanners upon arrival to school. So that the weapon scanners operate efficiently, students must remove specific items from their clear backpacks upon arrival daily. Please see the graphic below. Also, please review a video that provides a simulation of the screening process by clicking here.

Devices

Devices were issued to most students Thursday and Friday this past week. Students who were not issued a device will get theirs Monday unless they have not paid their technology fee. Thank you for your patience as we work through this process. Please be reminded that the PDL form must be signed for students to receive a device. **Please submit the form to Ms. Amy Bauer in Room A110.** The PDL form can be found in the links below. **Please do not email the form**.

- English
- Arabic

The HCS Device Handbook can be found here. Also, technology fines must be paid before receiving a device. Technology fines are added to students' accounts for damages or lost

charges and devices. Also, the $25 technology fee must be paid to take the device home. The $25 technology fee minimizes repair costs for damages. If students do not pay the technology fee and their device gets damaged at school, students are liable for the full cost of repairs.

Technology fines and fees can be accessed and paid online at www.mypaymentsplus.com. You will need your student's ID number to create an account if you don't have an existing account. Please contact our front office if you do not have your student's ID number. If you have questions about technology fines added to your account, please contact Mrs. Amy Bauer at 843.488.0662.
