SESSION DESCRIPTIONS

BEYOND U: CAREERS

A WORLD WITHOUT SOCIAL WORKERS...TERRIFYING!

Room: North Hall 244 - Sessions 3 and 4

Presenter: Cassandra Jackson-Smith (OU School of Social Work)

Social workers are needed now more than ever, particularly in Oklahoma. Come and learn about the wonderful world of social work and a look at what the world would be like without us! It's SCARY to think about! Find out why!

ABC'S OF CONSTRUCTION

Room: Main Hall 2438 - Sessions 1, 2, 3, 4

Presenters: Panel

Explore the dynamic world of careers in construction, where creativity meets innovation! Discover how you can shape skylines and build the future with diverse roles ranging from architecture to project management. Whether you're into design, technology, or hands-on work, this session will show you how to turn your passions into a rewarding career path!

ALLIED HEALTH WITH TCC

Room: North Hall 155 - Sessions 3 and 4

Presenter: Panel

Your dream career is within reach! The TCC School of Health Sciences offers 14 programs and certificates that will always be in demand because the world will always need healthcare. Our programs prepare you for rewarding careers with long-term job security, competitive salaries, and opportunities to make a difference every day. Your future in healthcare starts at TCC!

ATHLETIC TRAINING: IT'S MORE THAN TAPING ANKLES

Room: North Hall 155 - Sessions 1 and 2

Presenter: Dan Newman (Union Sports Medicine & Performance)

Come learn about the athletic training profession. You'll leave this session with a better understanding of how to become an athletic trainer, the current job outlook, and where athletic trainers are finding jobs.

ATMOSPHERE IN ACTION: CAREERS IN METEOROLOGY AND WEATHER

Room: North Hall 242 - Sessions 3 and 4

Presenters: Mike Grogan (2 News Weather, Union Alumnus)

Predicting weather is an exciting career that combines science and communication skills! Learn about weather-related pathways and opportunities!

AUTOMOTIVE TECHNOLOGY WITH THE CITY OF TULSA

Room: Main Hall 2440 - Sessions 1, 2, 3, 4

Presenter: Daniel Vang & Tim Kieffer (City of Tulsa)

The automotive industry is advancing, and the internal combustion engine is not your only choice. Join us as we explore the world of automotive technology. We will discuss the shortage of technicians, challenges in finding parts, and keeping up with the industry changes. The opportunities are there if you are willing! If you are interested in working with tools and earning good pay, this is the industry for you!

BEYOND MUSEUM WALLS

Room: North Hall 242 - Sessions 1 and 2

Presenter: Mia Torres (Gilcrease Museum)

Think museums are only for curators, historians, and artists? This session will introduce students to the wide range of careers that make museums work - from community engagement and education, to marketing, collections, conservation, fundraising, events, digi, and more!

BEYOND THE WHITE COAT: A DAY IN THE LIFE OF SAVING A LIFE

Room: North Hall 151 - Sessions 1, 2, 3, 4

Presenter: Dr. Chris McNeil & Youth Medical Mentorship

The world needs more doctors and YOU might be perfect for the job! Becoming a doctor is about far more than test scores and good grades. Learn why you should consider a career in medicine, how to become a doctor, and what it's like to make life-changing decisions for yourself and others. You'll experience what it's like to be in the "hot seat," to think quickly, and to act with precision.

CAREERS IN CYBERSECURITY: DEFEND OUR FUTURE

Room: North Hall 263 - Sessions 3 and 4

Presenter: Erin Kelehan (former Director of Cybersecurity for QT & NBC)

Careers in Cybersecurity: Defend our Future introduces students to the real-world threats facing individuals, businesses, and our communities - and the people working behind the scenes to defend against them. We'll explore how cybersecurity professionals identify, protect, detect, respond to and recover from cyber threats and the various careers that protect our digital future.

COMMERCIAL REAL ESTATE 101

Room: North Hall 108 - Sessions 3 and 4

Presenters: Rocco Driscoll, Trevor Burns (Northmarq)

Are you interested in real estate? Join Northmarq to learn about the basics and explore future career possibilities on the commercial side of this exciting industry. With uncapped earning potential, commercial real estate could be the right career path for you!

COOKING WITH CHEF CANDYSE: CULINARY CAREERS

Room: North Hall 247 - Sessions 3 & 4

Presenters: Chef Candyse Walker (Union Alumna)

Love to cook? Love to eat? Come learn more about becoming a professional chef and the many career opportunities that exist within culinary arts! Chef Candyse Walker is a trained chef and an instructor in OSU-IT's culinary art program.

CREATING CONTENT WITH CHEROKEE FILM

Room: North Hall 247 - Sessions 1 and 2

Presenter: Bailey Vought (Cherokee Film Commission)

Cherokee Film Productions creates content that tells the stories of Cherokee people. From Emmy-award winning docuseries and feature-length documentaries to narratives in the Cherokee language created with motion capture, our production teams harness the power of technology to push our storytelling tradition forward. Join team members from Cherokee Film Productions in this session to hear more about how your passion can become a reality (and bring your questions!)

CREATIVITY THROUGH COSMETOLOGY

Room: North Hall 245 - Sessions 1 and 2

Presenter: Chrystal Pennington (Good Vibe Studio)

Hear from a cosmetologist and learn more about pursuing a career in the beauty industry and what it takes to succeed in a creative and customer service-based career!

CSI: CRIME SCENE INVESTIGATION

Room: North Hall 396 - Sessions 1, 2, 3, 4

Presenter: Sgt. Joe Campbell, Det. Rich Aschoff (Tulsa Police Department)

Crime Scene Investigation is the application of scientific principles to the investigation of crimes. As a Crime Scene Investigator, you have a front row seat to all the major cases that occur within a city. Crime Scene Investigators use numerous tools and skills including photography, 3D scanning, fingerprinting, DNA collection, bloodstain pattern analysis, and shooting reconstruction to process scenes. The Crime Scene Investigator is a key team member in solving crimes and prosecuting suspects.

DID SOMEBODY CALL 911?

Room: Main Hall 2202 - Sessions 1, 2, 3, 4

Presenter: Panel including Officer Ethridge (Bixby PD), Deputy Gray (Tulsa County Sheriff's Office), Officer Cawiezell (Tulsa Police Department)

Learn what it takes to enter the field of law enforcement! You'll hear from professionals from various departments. Do you have what it takes?

ENGINEERING CIVILIZATION:

HOW CIVIL ENGINEERS SHAPE OUR WORLD

Room: North Hall 390 - Sessions 3 and 4

Presenter: Heidi Wallace (Wallace Design)

Civil Engineers are behind many of the things you see and use on a daily basis. From roads and bridges to clean drinking water, designs from Civil Engineers have a tangible impact on our communities every day. This session will cover an overview of the career paths within Civil Engineering and include a hands-on drainage design demonstration.

FINDING SUCCESS IN THE AVIATION INDUSTRY

Room: North Hall 390 - Sessions 1 and 2

Presenter: Taylor Williams-Busque (TCC School of Science & Aeronautics)

Join us for an engaging aviation presentation that delves into the critical roles of pilots, air traffic control, and maintenance teams. We'll explore how these interconnected professions ensure the safety and efficiency of air travel, highlighting real-world scenarios and the latest advancements in the industry. Don't miss this opportunity to gain insight into the dynamic world of aviation!

FIRST ON THE SCENE: EMT & FIREFIGHTING CAREERS

Room: Main Hall 2203 - Sessions 1, 2, 3, 4

Presenter: Panel

Interested in being on the front lines of emergency response? In this session, you will learn more about the education you need to become an EMT or Firefighter along with how to navigate a successful career as a first responder.

HOW CAN I HELP? CAREERS THAT MAKE A DIFFERENCE

Room: North Hall 244 - Sessions 1 and 2

Presenters: Panel including Christine Frazier (Child Welfare Supervisor), Jenny Harris (St. Francis NICU), Rebecka Peterson (UHS, National Teacher of the Year), Scott Schafer (Professional Counselor)

Learn about different career paths that focus on helping others! This is a panel discussion that includes a professional counselor, a nurse, and an immigration lawyer and will be moderated by 2023 National Teacher of the Year, Rebecka Peterson.

I MADE MY HOBBY INTO MY CAREER:

PHOTOGRAPHY AND CREATIVE ARTS

Room: North Hall 110 - Sessions 1, 2, 2, 4

Presenter: Tony Li (Union Alumnus)

Meet with photographer and creative Tony Li as he talks about his journey from quitting his day job and making his hobby of photography into a full-time career. From the business side of art to the ROI (return on investment) of running it as a company, this session will talk about how to get started and what it's like to be a creative entrepreneur.

IMMIGRANT TO ENTREPRENEUR: BUILDING A BUSINESS THAT SOLVES PROBLEMS AND SPARKS JOY

Room: North Hall 245 - Sessions 3 and 4

Presenter: Shirin Zakerion (Union Alumna)

This session will cover my journey as an immigrant and how I built a successful business by finding my unique Point of Difference (POD). I'll share the struggles I faced and the breakthroughs that happened when I found my purpose—solving the specific problem of curly hair care. You'll hear how I turned that solution into a business I love and how anyone can overcome challenges by understanding their own strengths and passion.

INFORMATION TECHNOLOGY (IT): PROTECTING, BUILDING, AND INNOVATING THE DIGITAL WORLD

Room: Main Hall 2214 - Sessions 1 and 2

Presenters: Fazl Muradi (Crossland Construction)

Have you ever wondered who protects banks, hospitals, schools, and businesses from cyberattacks? Join Fazl Muradi, a cybersecurity and IT professional, as he shares his journey into Information Technology and the exciting career opportunities it offers. Learn about IT career paths, the skills and education needed to get started, and how technology professionals help solve problems, protect information, and shape the future.

KICKSTART YOUR CAREER IN CONSTRUCTION

Room: Main Hall 2402 - Sessions 1, 2, 3, 4

Presenters: Casey Chesser (Crossland Construction)

Are you interested in a career in construction? Whether you go to college or straight to work after high school, construction offers a path that is right for you. Learn about commercial construction and what it takes to get paid. Listen to industry professionals and how they paved their way to where they are today.

LANDING A CAREER IN THE SPORTS INDUSTRY

Room: North Hall 263 - Sessions 1 and 2

Presenters: Amari Jackson (University of Tulsa Pathway to Sports)

Love sports but don't plan to be a professional athlete? There are careers in the sports industry no matter what your interest! From nutrition and sports medicine to business operations and data analytics, you can find a job that keeps you connected to the game! Join the University of Tulsa's Pathway to Sports Program to learn more about different career opportunities in the sports industry!

LEGAL CAREERS: MORE THAN JUST LAWYERS

Room: North Hall 259 - Sessions 1, 2, 3, 4

Presenter: Elissa Stiles (Rivas & Associates)

Have your parents ever told you - in the middle of an argument - that you'd make a good lawyer? Have you ever watched a courtroom scene on TV and wanted to be part of the excitement? Come learn about a variety of legal careers - from court reporting to gaining a judgeship - and find out if a legal profession might be right for you!

MANAGING MONEY

Room: North Hall 250 - Sessions 3 and 4

Presenters: Joe Cleary (Union Alumnus)

Learn from a certified financial planner who works in wealth management! You'll learn about careers in finance, setting financial goals, and building a realistic budget. We'll also share practical saving strategies and healthy money habits to help you stay on track toward your short- and long-term goals.

NAVIGATING MILITARY PATHWAYS

Room: Main Hall 2206

Sessions 1 and 2: Army, Army National Guard, Army Reserves

Sessions 3 and 4: Air Force, Coast Guard, Marines, Navy

Discover the complexities of the military through a panel discussion with our recruiters from various branches of the military. Learn insights into their roles of service, broaden your understanding of the benefits, and find the branch that is the right fit for you!

PROFESSIONAL TRUCK DRIVING

Room Main Hall 2205 - Sessions 1 and 2

Presenter: Skylar Greek (Melton Trucking)

The trucking industry plays a crucial role in delivering goods across the country. It offers a variety of job opportunities. Truck drivers often enjoy the freedom of the open road and the ability to travel to different places. The demand for skilled workers in this industry continues to grow, providing stable career paths and salaries.

REAL ESTATE 101: WHAT IT TAKES TO BE A REAL ESTATE AGENT

Room: North Hall 108 - Sessions 1 and 2

Presenter: Amanda Foyli

Learn what it takes to become a real estate agent, be your own boss, set your own hours, and run your own business! In this session, you will learn the basics of becoming a real estate agent as well as behind the scenes information no one tells you.

SKILL OVER SCHOOL: BUILDING YOUR CUSTOM CAREER AS AN ENTREPRENEUR

Room: North Hall Auditorium - Sessions 1 and 2

Presenter: Josh Wilson (Union Alumnus)

Everyone should be an entrepreneur. No one should be an entrepreneur. It takes 10 years to become an overnight success. Owning your own business is more than a 9-5 job. It takes hard work, hustle, and sacrifice! Come learn about what it takes to be a successful business owner.

SO YOU WANT TO BE AN ENTREPRENEUR?

Room: North Hall 220 - Sessions 1, 2, 3, 4

Presenter: May Segovia (Union Alumna)

Discover what type of entrepreneur you are, learn a framework to develop your idea, and explore what it really takes to build a business.

SOCIAL MEDIA MARKETING

Room: North Hall Auditorium - Sessions 3 and 4

Presenter: Mary Hatheway

Interested in how you can make money off of social media? Join Mary Hatheway as she talks about how she has been able to leverage her social media following of over 130,000 followers on TikTok and over 75,000 on Instagram and turn it into a business. Mary will also go over what it's like working for her family's well-known Tulsa business, Reeder's, as well as any tips and tricks she learned from starting her own business when she was 21.

SPEARS TO SUCCESS: EXPLORING BUSINESS MAJORS AND CAREERS

Room: North Hall 250 - Sessions 1 & 2

Presenter: Jessica Medina-Benningfield & Rachel Reyes
(OSU Spears School of Business)

Interested in business? Not sure where to start? Come learn more about how your interests, goals, and strengths can connect to the business world through major exploration and career outcomes.

YOUR FUTURE. YOUR CALLING. YOUR NURSING CAREER STARTS AT TCC

Room: North Hall 156 - Sessions 1, 2, 3, 4

Presenters: Scott Waleska (Tulsa Community College)

Why nursing? Why now? Nursing is one of the world's most in-demand careers, offering job security, competitive pay, advancement, and flexibility. Earn your degree in as little as two years and start making a difference. Your future is calling, and it can start at TCC!

BEYOND U: COLLEGE

FINANCIAL AID 101

Room: North Hall 219 - Sessions 3 and 4

Presenter: Jenny Thoma (OSU Office of Admissions)

Learn the basics of paying for college! In this session, we will discuss the difference between tuition and fees, the direct costs of attending college and the indirect costs you might not think about. We will also provide a primer on scholarships, FAFSA, and other ways to pay for college!

FINDING BALANCE: HOW TO ACHIEVE SUCCESS ON AND OFF THE FIELD

Room: North Hall 219 - Sessions 1 and 2

Presenter: Cole Way (Union Alumnus)

This session will be full of tips and tricks to finding a balance between sports and the classroom to maximize success on and off the field. We'll talk about what the daily life of a collegiate athlete is really like and put an emphasis on the academic side of being a student-athlete where the "student" comes first. You'll hear from Cole Way, whose background as a college and professional athlete and current work with college athletes makes him an expert on this subject!

INTERNATIONAL STUDENT 101: COLLEGE, WORK, AND LIFE AFTER GRADUATION

Room: North Hall 221 - Sessions 1, 2, 3, 4

Presenter: Stan Khrapak (Tulsa Visa Network)

If you or someone you know came to the U.S. from another country, knowing your options early can make all the difference when planning for college and a career. In this session, the Tulsa Visa Network will break down key pathways available to international students, including what the F-1 student visa covers at four-year universities and community colleges, and how work authorization programs can help you get a job, gain real experience, and build a career in the U.S. after you graduate.

SCHOLARSHIPS!

Room: North Hall 222 - Sessions 1, 2, 3, 4

Presenter: Kate Kindbom

You have been working on your college applications for the past three months - maybe you are even finished submitting them (cue the confetti!)? Now it's time to think about paying for college! This session will go over in-state college merit scholarships and strategies you can employ TODAY to start applying for outside scholarships!

UNDECIDED? HOW TO CHOOSE A MAJOR

Room: North Hall 223 - Sessions 1, 2, 3, 4

Presenter: Lydia Mauldin (TCC Office of Admissions)

Not sure what you want to do after high school? You're not alone! Come to this session to learn how to choose a college major and career path that aligns with your interests, strengths, and personality!

BEYOND U: SUCCESSFUL ADULTING

HOLISTIC HEALTH: CARING FOR THE WHOLE YOU

Room: North Hall 150 - Sessions 1 and 2

Presenter: Chris Barnes (Union Alumnus)

Discover what it means to take a holistic approach to your health and well-being. In this session, you'll hear from chiropractor, Dr. Chris Barnes, about the connection between physical health, daily habits, stress, movement, and overall wellness. Gain practical advice and simple strategies you can incorporate into your everyday routine to support a healthier, more balanced lifestyle.

HOPE IS DOPE

Room: North Hall 261 - Sessions 3 and 4

Presenters: Scott Pennington & Jessica Hogaboom, Union Hope Department

Did you know that your level of Hope is a better indicator of 1st year college success than the ACT? Even more, your Hope level determines your health, school achievement, job success, and even athletic performance. Hope is a science and best of all, it is measurable, teachable, and learnable. At the end of this session, you will increase your understanding and level of Hope!

MINDFUL TODAY, HEALTHY TOMORROW

Room: North Hall 150 - Sessions 3 and 4

Presenter: Ann Hurst, LCSW

Your mental health is your power! Come learn ways to take care of your mind to live a healthy fulfilled life. You will learn about mental wellness, strategies to reduce stress, ways to cope with life, and when to seek professional help.

PERSONAL FINANCE AND BUDGETING

Room: North Hall 261 - Sessions 1 and 2

Presenter: Manny Cantu (First Oklahoma Bank)

The financial decisions you make today can impact your future for years to come. Join us to learn practical money management skills, smart budgeting techniques, and simple habits that can help you achieve your goals and build lasting financial success.

THE PSYCHOLOGY OF MONEY

Room: North Hall 212 - Sessions 1, 2, 3, 4

Presenter: Brett Peterson, CPA

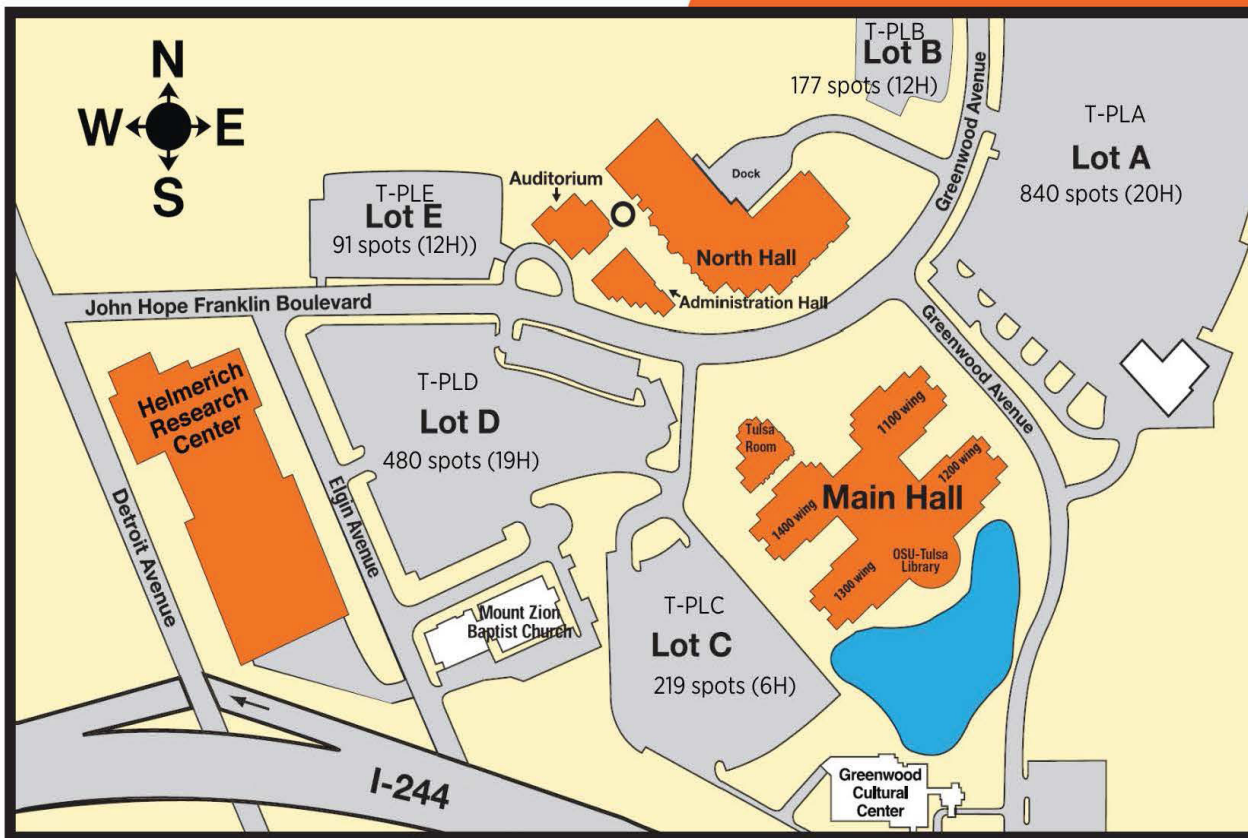

Why do some people build fortunes while others struggle, regardless of their income or intelligence? Believe it or not, the answer is less about how much you make and more about your behavior and habits. This session explores the insights from the bestselling book, *The Psychology of Money*. We'll uncover the surprising and often irrational ways people think about money and discuss the lessons that have the biggest impact on long-term financial success.
