MISSION STATEMENT

The Masera Middle School provides a transdisciplinary program, reflecting the principles of Applied Behavior Analysis, to address the needs of middle school students with Autism Spectrum Disorder and related developmental disabilities. Next Generation Learning Standards are presented through individualized and small group goal driven instruction. All instruction fosters the development of communication, social skills, on task appropriate behaviors, academics, life skills and prevocational skills; through a hierarchy of structured specialized learning opportunities.

SERVICE DESCRIPTION

The Masera Middle School provides instruction to children with moderate to severe Autism Spectrum Disorder and related developmental disabilities. The staff provides specialized individual and small group instruction utilizing the following best practice methodologies:

- ADL (Activities for Daily Living) Skills
- Applied Behavioral Analysis
- Community Integration Experiences
- Discrete Trial Instruction
- Functional Behavioral Assessment/Behavior Intervention Plans
- Multi-Media Instruction
- Pre-Vocational Skills
- Social Stories
- Task Analysis

Program Exit Outcomes

- BOCES Included Programs
- Other BOCES Programs
- Brookhaven Learning Center
- Return to District
- Private Placement

Commencement Goal

- Skills and Achievement Commencement Credential (SACC)
