Mater Dei High School is requesting permission for your student to use Additional Google Services through that existing account. Before signing, review the Mater Dei High School - Additional Google Services and Privacy Notice (October 19, 2026), provided through the link in the school email. Only this consent page needs to be printed. Complete one form per student and return this signed page to the school office.

Services covered by this request:

All Additional Google Services named in the separate notice identified above are covered by this single consent to the extent that Mater Dei enables them and Google permits access for your student. No separate signature is needed for each service.

These services are selected from Mater Dei settings. Some require school consent confirmation before under-18 access is restored. Access remains subject to Google age restrictions, school controls, and service terms. This consent does not authorize purchases.

Third-party applications are not authorized by this form. Any required third-party notices and consent must be handled separately.

Parent / Guardian Decision - Select ONE

☐ **I CONSENT TO ALL LISTED ADDITIONAL GOOGLE SERVICES.** I have read the separate Mater Dei High School - Additional Google Services and Privacy Notice (October 19, 2026), including its service list. I authorize my child to use all listed Additional Google Services that Mater Dei enables and Google permits for my child through the existing school-managed account. I consent to Google collecting, using, and disclosing my child's information for those services as described in the notice.

☐ **I DO NOT CONSENT TO ADDITIONAL GOOGLE SERVICES.** I do not authorize the Additional Google Services listed in that notice.

This request concerns Additional Google Services. Declining this request does not request deletion of the existing account or withdrawal from Core Services. Unlisted services are not authorized; the school will provide notice and obtain any required consent for services added later.

By signing below, I confirm that I am the student's parent or legal guardian and that the selection above reflects my decision. A signature without a selected decision will require follow-up.
