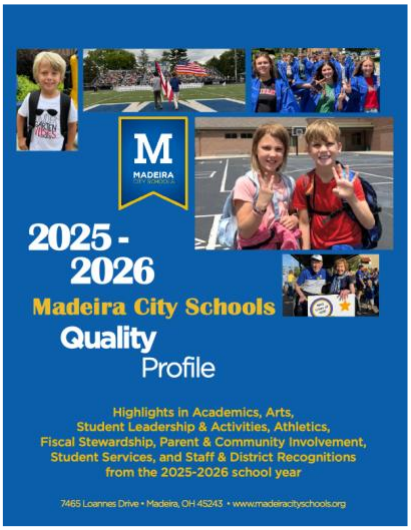
Madeira School District Releases 'The Rest of the Story'

The Madeira City School District has released its twelfth annual Quality Profile (QP), a compilation of accomplishments from the 2025-2026 school year in areas most important to the Madeira community.

Madeira began producing the yearly QP in 2012 along with Forest Hills, Indian Hill, Loveland, Mariemont, Mason, Milford, Oak Hills, Sycamore, and Wyoming school districts. Participating schools surveyed their residents to determine additional factors they valued in their child's education in areas not represented on the state's report card. The Quality Profile was initiated to highlight those areas from the previous school year. Today, over a decade after its inception, approximately 50 school districts throughout Ohio produce this assessment of their district's performance to supplement the state's report card.

The Quality Profile spotlights just some of the many student, staff, and community member accomplishments during the 2025-2026 school year in Academics, Arts, Student Leadership & Activities, Fiscal Stewardship, Parent & Community Involvement, Athletics, Student Services, and Staff & District Recognitions.

Some of the highlights included in this year's report are the high school's Academic team qualifying for the state tournament where they placed fourth, the 75th year of the district's Planning Commission studying and identifying needs, six teams qualifying for state tournaments and the girls soccer team winning the title, and the 2026 I Make a Difference Award recipients.


Postcards were mailed to all Madeira residents with a QR code to access the QP. Residents can leave their address with Diane Nichols at dnichols@madeiracityschools.org or 513.924.3707 to have a paper copy sent to their home. All Quality Profiles can be found at www.madeiracityschools.org/Welcome/Our Quality Profile.
