and
New Jersey Student Learning Assessments - Science (NJSLA-S)
Individual Student Report (ISR)
Spring 2026**

October 26, 2026

Dear Parent(s)/Guardian(s),

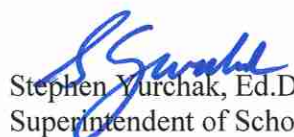

In the spring, your child participated in the New Jersey Student Learning Assessments-Adaptive (NJSLA-A) and/or the New Jersey Student Learning Assessments-Science (NJSLA-S) to measure their academic performance in English language arts (ELA), mathematics, and science based on the New Jersey Student Learning Standards (NJSLS). The assessments provide information about your student's academic progress in relation to the New Jersey Student Learning Standards (NJSLS) available at www.nj.gov/education/standards and can help identify areas of strength as well as areas where additional support may be beneficial.

Included with this letter, you will find your child's Individual Student Report (ISR). The ISR provides information about your child's performance for each tested content area, which includes overall knowledge and skills measured by each assessment. The reports also include information that may help support discussions about your child's academic progress. Assessment results provide one measure of how students are progressing towards meeting those expectations. Your child's ISR has also been made available in the New Jersey Family Portal at <https://nj-familyportal.cambiumast.com/#/>. This portal enables you to view test results online and includes information such as a glossary of assessment terms and access to helpful resources. To access the family portal, you will be asked to type the following information: The access code on the ISR, your child's first name, and his/her date of birth.

For additional information about these assessments, please visit the NJDOE Assessments webpage at <https://nj.gov/education/assessment/adaptive/> for a series of pamphlets focused on providing a quick overview of the new assessments. You may also visit the Students & Families page on New Jersey Assessments Portal at <https://nj.portal.cambiumast.com/>.

If you have any questions, please contact your child's principal.

Best of luck on a successful school year!
