

2015 Student Member of School Board

In order to provide the School Board with a greater insight into student activities, programs, and needs; and to encourage student involvement in school district governance activities the board may allow one nonvoting student member(s) on the Board of Education. The role of student member is advisory. The board shall decide whether to have a student member for all or part of the upcoming school year at its regular May board meeting or at such other meeting determined by the board.

Selection and Term of Student Member

The student member(s) must be a full-time enrolled student at Ralston High School, and must completed an application process for membership as a non-voting member. In the event there are multiple applicants to be a student member of the school board, the board may decide to adjust the length of the term of office as needed to allow for multiple students to participate in this program. The members of the Teaching and Learning Subcommittee will examine the applications for Student Membership and will choose a candidate.

Students can serve multiple year terms at the discretion of the Board of Education.

Student members will not participate in executive or closed sessions, and are subject to the policies that govern Board member conduct.

Guidelines

Student members may not introduce motions.

Student members are expected to attend meetings on at least a monthly basis during the duration of their term, and they can be appointed to subcommittees of the Board at the discretion of the President.

The President of the Board, in consultation with the Superintendent of Schools, has the right to bar the participation of a student member at their discretion. The decision of the board president is final and is not subject to review.
