

MORE THAN SCHOOL MEALS

APPLY FOR FREE & REDUCED MEAL BENEFITS

PSD is participating in Healthy School Meals for All. Meals are available for students at no cost regardless of income or submitting a free and reduced application. However, your household application may help your family access additional benefits and support funding for our schools.

FOR YOUR FAMILY

- School fee waivers for athletics, field trips, testing, and college application fees. 
- Summer grocery benefits through Summer EBT.
- Reduced-cost recreation, like swimming lessons, fitness classes, and Gardens on Spring Creek admission.
- Discounted internet and grocery tax rebates. 

FOR YOUR SCHOOL

- Support school meal programs. 
- Title 1 program funding.
- Help fund after-school activities.
- Language, Culture and Equity Funding.
- Expand nutrition services for students.
- Medicaid support.

Questions? We can help.

Why apply if meals are free?

The application can help identify additional benefits for your family and funding for our schools. There is no cost to apply.

Do I need a new application?

Apply each school year unless PSD has already notified you that you're eligible by email. If you are unsure, contact the Child Nutrition Department.

Not sure whether you qualify?

You can still apply. Eligibility depends on household size, income, or participation in qualifying assistance programs. You will receive a confidential email if your household application qualifies or not.
