LEARNING PREP SCHOOL

Students grades 9-12 participate in **Career Education & Consumer Skills** classes to learn more about financial literacy, employment and independent living skills. Senior year, students have the opportunity to generalize those skills in the community through internships and community outings!

On
Campus

- ➔ Consumer Skills classes put together first aid kits for classrooms, sorting, packing and delivering!
- ➔ Seniors showed off their **Coffee Co.** skills for the parent breakfast hosted on campus!
- ➔ The **Bionic Project** came to present and interact with students as persons with disabilities and inclusive sports!
- ➔ **BCIL** is on campus working with Boston area students on breaking down the drivers permit book

WHAT'S NEW?

GOALS at Learning Prep

Guiding **O**pportunities for **A**utonomy,
Long-term planning and **S**elf-determination

Our new 18-22 college support initiative **helping young adults with learning disabilities bridge the gap** between high school and adulthood. Learn more here.

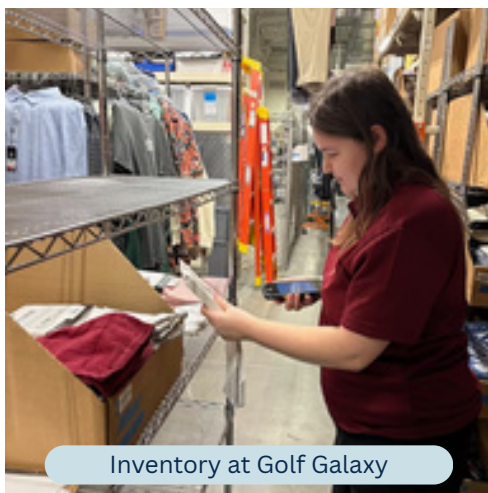

ON CAMPUS BUSINESS

Coffee Co. is **back**! Catch seniors Thursday mornings and order yourself a cold/hot beverage to go! Help the students practice work and money management skills!
