The East Stroudsburg Area High School Symphonic Wind Ensemble was formed as a select ensemble during the 1995-1996 school year as a result of tremendous growth in the number of members in the band program over the previous couple of years and the excellence of the student-musicians. This select ensemble from within the East Stroudsburg Area Senior High School Band program consisted of 52 students in its second year. That year, the 1996-97 Symphonic Wind Ensemble was selected to perform at the Pennsylvania Music Educators Association (PMEA) Annual In-Service Conference, held in Monroeville, PA. They performed a featured concert on April 12, 1997 at the ExpoMart Conference Center. To be selected to perform at that conference is one of the highest honors that any band program in the state can achieve.

Many members of this ensemble went on to college degrees and careers in music, both in performance and music education.
